Thought of the Week
“We all have the extraordinary coded within us, waiting to be released.”
- Jean Houston

Virtue of the Week
Our virtue of the week is dignity. Dignity is the quality of being worthy of the respect of others and ourselves. When we are dignified, we show self respect and it can be seen from our manner and personal appearance. We take pride in ourselves, how we look, interact with others and generally conduct ourselves. We also consider how others may see us. Please consider discussing dignity with your child/ren this week.

Principal’s Message
The weeks just seem to be flying by and it is amazing to see the quality of work happening in classrooms everyday. This year, our major professional development focus is on cooperative learning and teamwork, facilitated by Yvonne Collings from Kagan Australia. This thirty hour program, delivered over five full day workshops has provided all staff with a range of learning structures and strategies to use to promote active engagement, oral language and higher order thinking. This repertoire of skills is also applied to our Music, Health and Physical Education lessons and Staff Meetings. This significant investment has achieved much success and is visible in all classrooms. Please see your child/ren’s Class Teachers if you would like further information.

This week, the 2015 NAPLAN results were released to all schools. Today, all Year Three and Five learners would have taken their Reports home. Compared to last year, there has been significant improvement across all areas, particularly reading, spelling and numeracy for both Year Three and Year Five. Our representation in the Upper Two Bands has also increased, in some cases doubling. This improvement is the result of our Great Results Guarantee investment over the past eighteen months, the efforts and energy of our Staff to differentiate and deliver targeted intervention programs to support and extend each learner and the ongoing efforts of parents and carers, working in partnership with the school.

On Wednesday, we hosted our School Photographers and our Quality Schools: Inclusive Leaders (QSIL) Coach, Ms Lisa Corrigan. Over the past few weeks, Lisa has been coaching our Co-Teaching Teams to embed inclusive practices within their learning spaces. Congratulations are extended to Mrs Alana Fitchen, Mrs Kathryn Shields, Ms Kasey Bulman, Mrs Alexis Robinson and Mr Ryan Lund for their amazing work.

Until next week,

Lyle Walker

Mental Computation Strategy

Our mental computation strategy next week is **count back**. Below is the poster displayed in all classrooms with an explanation to assist Mums and Dads to help their child/ren in the area or mental computations or ‘number facts’.

Fluency with counting back is the beginning of subtraction, Students need to know that for 7 – 3 we can start on 7 and count back three, 6, 5, 4, and that the answer is the last number spoken.

**COUNT BACK**

Counting back is a great way to do subtraction.

How many pins were left standing after this game?

Start on 6 and count back 2.

6 5 4 The answer is 4.

How many pins were left standing after this game?

Did you start on 10 and count back?

Student Banking Program

Our Student Banking Program operates every Friday for all students. For every deposit made, the school receives a small commission that soon adds up. Extra Banking Packs are available from the Office.

Term Three Daily Special Board

Look out for the ‘Daily Special’ Board on an easel outside the Tuckshop that will feature special items available for purchase for a limited time. Ordering via our ‘brown bag’ system remains.

Ready Readers Program

In Week Six, Lauree Lanyon from Glenmore State School will be facilitating a ‘Ready Readers’ Program for any interested parents and carers of children in Prep to Year Three on **Wednesday August 19th 2015** between 9:00 a.m. and 11:00 a.m. This is a FREE skilling session with Morning Tea provided. This two hour session will provide practical strategies to support children in the home to become confident and proficient readers. If you are interested, please RSVP as soon as possible as numbers are limited and already the session is filling up.

NAPLAN 2015

Earlier this week, the school received the NAPLAN Reports for every Year Three and Five learner. This Report was sent home this morning. It was wonderful to once again be able to personally congratulate in writing more than forty individual learners who achieved results in the Upper Two Bands across one or more areas. In some cases, we had individual learners ‘off the scale’ significantly above the Nation in some areas. Overall, many improvements were made across each of the five areas, with significant improvement in the Upper Two Band (U2B) representation for Year Three, in some cases more than doubling the representation. Well done everyone on your effort and achievement.

We need to be certain of the siblings of current students who are attending Prep at Parkhurst State School in 2016. Your early advice assists us to make accurate decisions around classes and staffing, as well as managing our enrolment growth and capacity.

Demand Writing Program

Our focus on writing recounts continues, with some fantastic responses seen from our weekly writing stimuli. A recount is the retelling of an event or series of events. Recounts can retell factual or imaginary events. Below is the task presented to learners to respond to earlier this week. Next week’s response will be assessed against the current NAPLAN Marking Guide and moderated across classes to ensure there is consistency in teacher judgment. This information will then assist all classroom teachers to develop specific class and individual writing goals to work on for the next five weeks.

Book Week is Coming – Date Change

This year’s theme for Book Week is ‘Books Light Up our World!’ As in previous years, we will once again be conducting a Book Character Parade on Tuesday August 25th 2015 commencing at 9:15 a.m. in the Assembly Area. All Mums, Dads and friends of our school are encouraged to participate alongside our staff and learners. Start thinking about your costumes and consider ways items can be repurposed, reused and recycled for this special event.
Every Day Counts at Parkhurst!

Each week, the attendance and absenteeism information regarding every Parkhurst State School learner is analysed to determine the patterns and trends of individual learners and groups of learners. After three days of unexplained absences, classroom teachers contact parents and carers to determine why the absences have occurred. If contact is unable to occur, after five days, the Principal will attempt to contact parents and carers for an explanation.

Trends and patterns regarding learner absences on particular days of the week, for example are also identified. If such patterns are having a significant impact on the learning of students, contact will also be made. Each Term, the parents and carers of any learner who has been absent for less than 90% will be contacted to alert them to the impact this may be having on their child’s achievement, overall performance and success.
