Thought of the Week
“Imagination is more important than knowledge.” - Albert Einstein

Virtue of the Week
This week, we begin with the virtue of loyalty. Loyalty is staying true to someone. It is standing up for something you believe in without wavering. It is being faithful to your family, country and school, friends or ideals. When the going gets tough as well as when things are good. When we are a loyal friend, even if something disappoints us, we still hang in there for them. Loyalty is about staying committed. Please consider discussing being loyal with your child/ren this week.

Principal’s Message
This year, we have taken the time to acknowledge our Gleam Team to keep our school spic and span ready for learning, our Teacher Aide Team who are instrumental in supporting learning across the school and most recently our Teacher Team, who design, deliver and differentiate curriculum offerings for learning. This week, I would like to acknowledge the ongoing efforts of our Administration Team and particularly Mrs Chris Olive, our Business Services Manager and Mrs Wendy Evans, our Administration Officer.

These ladies are often the first port of call for visitors, parents, carers, staff and learners both face to face and on the telephone. They are certainly our ‘Directors of First Impressions’ and at times are our key communicators. Much of the work this team undertakes is often unseen, yet at times is significant in maintaining effective school operations. Well done ladies and thankyou!

Last Friday, the results of this year’s School Opinion Survey was released with many areas achieving 100% strong agreement across our student, staff and parent/carer groups surveyed. This year, all surveys were conducted online with increased representation. With all surveys of this nature, some areas have been identified as key areas to work on in 2015 and beyond. Thanks again to everyone who contributed responses to this year’s surveys. In coming weeks, a detailed account of this survey will be provided to celebrate and share the focus improvement areas ahead.

Until next week,

Lyle Walker
Principal

Student Absence Line

Parents and Carers are encouraged to use the school’s Student Absence line to report their child/ren’s absences on 07 4924 6566.

School Banking

Our Student Banking Program is offered every Wednesday for all students from Prep to Year Seven. For every deposit made, the school receives a small commission that soon adds up. Thanks again to Angela George, for a job well done each and every week!
Semester Two Report Cards

This week, some families would have received a special letter from the school to provide a current email address. This Semester, all Report Cards will be emailed directly to the email accounts of parents and carers. Printed copies of Report Cards will be also be available upon request. This process will ensure all parents and carers receive reports on the same day, minimise the risk of comparisons being made by students prior to reports arriving home and assist to conserve the resources used in the publishing of Report Cards.

For those students whose parents or carers do not have email accounts, printed reports will automatically be sent home. If you have recently changed your email address, please notify the Office as soon as possible. Likewise, if you wish to obtain a printed Report Card, please notify the Office as soon as possible. Semester Two Report Cards are scheduled to be released via email on Tuesday December 02nd 2014.

2015 Class Groups

Our predicted whole school enrolment for the start of 2015 currently stands at 320 learners with many variances across each of our seven year levels. As a result, it has been a challenging task to develop a DRAFT class structure that provides capacity for future growth and meets the class size targets of twenty five students in Prep to Year Three and twenty eight students in Years Four to Six. At the current time, there are still some teaching vacancies to fill and once these are completed, we will be in a position to allocate teachers to classes.

At Parkhurst State School, we are very fortunate to be in a strong position of growth with the transition of our Year Sixes and Year Sevens to secondary school. The DRAFT class structure is outlined below and may be subject to change pending additional enrolments. This structure also provides us with increased flexibility to place children across multiple setting to best meet their individual needs.

2015 Book Packs

Much work has been undertaken in preparing for the 2015 school year. One such task has been the development of our Lists of equipment, stationary and requirements in the form of our Book Lists. In 2015, we are pleased to be able to provide three options for parents and carers, one of which will dramatically save time and money. The three options are as follows...

- **Online ordering.** Information will be provided regarding a process for online ordering of the Book Packs of the Year Levels required delivered to your door at a dramatically reduced cost. Details will be provided as soon as possible.
- **Richardson Road News.** Simply take your 2015 Book List to the Richardson Road Newsagency and have it filled by Staff for collection at a negotiated date.
- **Self Selection.** Use the Book Lists provided to source the equipment, stationary and materials yourselves at a range of local outlets and businesses.

We hope to be in a position to have this information available by the end of next week to enable families to commence their purchases before the end of the year. This information will also be uploaded to our school website with links to the online ordering site.

**Great Results Guarantee**

This year, all Queensland Schools received Great Results Guarantee funding based on Plans submitted to the Director General of Education to approve. As the name suggests, the focus of this Plan was to guarantee great results through the strategies implemented. In 2015, the State Government has recommitted to this Program, providing increased funds to schools to continue implementing programs that make a difference to the learning outcomes of students.

In 2014, Parkhurst State School’s Great Results Guarantee implemented the following strategies...

- Increasing Teacher Aide Time in classrooms to co deliver literacy and numeracy programs
- Purchasing additional home reader texts, guided reading resources and online materials
- Supplementing the school’s existing banks of Diagnostic Assessment Tools
- Providing Teacher and Teacher Aide Professional Development and release time for teachers to develop Individual Learning Guarantees for all students at risk of not achieving a ‘C’
- Provide ongoing, intensive intervention programs for all identified students

These strategies have assisted us to increase the performance of learners to achieve at and beyond the national minimum standard and representation in the Upper Two Bands across the areas of Reading, Writing, Spelling and Numeracy. In 2015, we will receive $94,328 to further support our strategies. This is an increase of around $20,000.

**Form Poems**

Last week, as part of our Weekly Demand Writing Program, all classes experienced the Form Poem. It has been wonderful to see first hand this week the incredible poems composed by students across the school. This week, a poem about Remembrance Day has been showcased by Year 1WS. Well done!

Below is the structure of a Form Poem and the specific structure and concepts that are used in its composition.

**Form Poems have...**

- an A-B-A-B rhyme pattern
- the rhythm of lines 1 and 3 are the same
- the rhythm of lines 2 and 4 are the same
- a word bank is required to write the poem
- all words relate to the subject of the poem

```
(a)
____________, ________________, ________________, ________________

(b)

**Electronic Newsletter List**

If you wish to receive an email notification each week, please send an email to the.principal@parkhurstss.eq.edu.au with ‘Electronic Newsletter’ in the subject field. Next year, we anticipate heading towards this as our preferred distribution method.

**Icy Cup Fridays**

The Student Council are selling Icy Cups for 60 cents at Second Break every Friday from the SEP for Bus Students only. Remaining Icy Cups are available for Non Bus Students to purchase after 3:00 p.m.
2015 Improvement Priorities
This week, the school’s four year strategic direction was set following the Quadrennial School Review process to develop our School Plan. This process involved a Desk Top Audit where a wide range of data sets and instruments were examined to ascertain the school’s performance and progression over the past four years to set the key priorities for the next four. This information will assist us to develop our Annual Implementation Plan to schedule key strategies in 2015 as well as our Explicit Improvement Agenda that details the strategies and ways we can determine we are achieving success. Outlined below are our key priorities for 2015. The arrows indicate how the bottom four filter into the top three of Numeracy, Reading and Writing.

Aluminium Can Collection
Empty aluminium cans may be left in the wired collection point at the front of the school for recycling. Every can means money for Parkhurst.

Sausage Sizzles
Year Fives will be conducting weekly Sausage Sizzles to support the Wombats for one more week. Sausages on Bread with sauce will be $1.50. Order slips are available from the Office and in this Newsletter to assist with catering.

Parkhurst Tavern Raffles
The P&C’s Parkhurst Tavern Raffles are now once a fortnight and everyone is welcome to become involved with this profitable fundraiser.

Volunteers are still sought every fortnight to assist with the sale of tickets for some amazing prizes. If you are able to assist, please consider contacting a P&C Member to be added to the Raffle Roster. All profits generated has and will continue to support YOUR students and their education.

2015 Leadership Positions
Our Year Fives have commenced the process of verifying their leadership skills and capacities for the selection of our 2015 Leaders with great enthusiasm. Positions include School Captains, Sports House Captains and Student Councillors.

Exploring Maths with Your Child/ren
At times, you may feel that the maths your child/ren is doing at school is different from how you were taught, but you will still be able to support your child in many ways. There are many activities you can do at home, using everyday items to help explore Maths with your child.

Sports Scores
- How does your favourite sport tally the score? What maths is presented on the tally?
- How do other sports tally the score, for example, tennis, golf, cricket, netball, football?
- What maths do you use to find the total of the scores?
- Are there other ways to record the score?
- How long do your favourite sport games go for in minutes and seconds?
- Are they divided into halves, quarters or something else?
- What are the shapes of different playing fields and courts? Talk about edges and angles.
- How can you estimate the perimeter and area of a playing field?

Weather Maps
- Visit the website http://www.bom.gov.au or look at the weather maps in the newspaper
- What is the difference between the minimum and maximum temperature for each day?
- Find a seven day forecast then record the actual temperature for each day and compare. Was the forecast accurate? What were the similarities and differences?
- Use the information on the weather website to explore differences in weather from your area to others. How much rain do you get compared to others? Are there differences in temperature?

2015 Book Fair
Well done everyone on yet another amazing Book Fair, with well over $5000 taken over the two weeks. It was great hosting Clifford during this time. Thanks again to Mrs Heather Stovold for overseeing this annual event, her many assistants and all those who supported by making purchases.

Parkhurst State School proudly offers a variety of classroom structures with a clear goal to place all learners in environments that best suit their individual learning needs. Class structures are determined by the number of learners in a Year Level, the ability to provide capacity for enrolment growth and meeting the class size targets of twenty five students in Prep to Year Three classes and twenty eight students in Years Four to Six. It is envisaged that our 2015 Class Structure will be communicated towards the end of this year.

The purpose of this form is to provide all parents and carers with an opportunity to outline any specific information regarding their child/ren that will assist in their placement in classes in 2015. This form should not be used to submit specific requests or preferences. Forms returned with a request for a specific teacher will not be considered.

The information provided is confidential and should be returned attention ‘The Principal’ no later than Friday November 21st 2014. Consideration is given to all information provided by parents and carers; however, it is not always possible to accommodate all information provided. If you have specific concerns that you feel cannot be addressed on this form, please contact the Office on (07) 4924 6555 to make an appointment or speak with the Principal. Likewise you can also email the Principal at the following address the.principal@parkhurstss.eq.edu.au
