Thought of the Week

"Worry is a misuse of imagination."
- Dan Zadra

Virtue of the Week

This week, we examine the virtue of flexibility. Flexibility is being open to change. It also means not always having to have your own way. Flexibility is being open to the opinions and feelings of others. When we are flexible, we are willing to change our minds. If something doesn't work, we try a new way. Flexibility is making changes for the better. Please consider discussing the power of flexibility with your child/ren this week.

Principal’s Message

Welcome back to our next one hundred days of learning. I hope you and your family have had a relaxing Winter Vacation and are reenergised and recharged for the busy Term ahead. On the last day of school, Mr Cameron Preston and his wife Kel welcomed their beautiful daughter, Audrey. Whilst Mr Preston is enjoying his new found fatherhood for the next two weeks, we welcome Mr Laurie Hill to Year 6/7P. We also welcome back Ms Moira Mackenzie to her Head of Curriculum role and Mrs Sharla Allen who will be working with P/1T and in a learning support role.

With the school’s enrolment growth this year, we have become entitled to a Business Services Manager position. We welcome Mrs Chris Olive to this position. Mrs Olive is relocating from Allenstown State School, where she has held this position for the past fourteen years. We also say a sad farewell to Mrs Emma Newman who has been relocated to Mount Archer State School in her current capacity as an Administration Officer. Please join me in wishing Emma the best and welcoming Chris to Parkhurst State School.

This Term, our school improvement priorities continue, with vocabulary and numeracy strategies being implemented across the school. Look out each week for the problem solving strategy of the week in the Newsletter and in Homework activities. Your ongoing support will ensure all learners will reach their full potential in numeracy.

Until next time,

Lyle Walker

Parkhurst Tavern Raffles
The P&C’s Parkhurst Tavern Raffles are now once a fortnight and everyone is welcome to become involved with this profitable fundraiser.

There is virtually nothing to do except turn up, sell tickets and conduct the draws. Volunteers are still sought every fortnight to assist with the sale of tickets for some amazing prizes. If you are able to assist, please consider contacting a P&C Member to be added to the Raffle Roster. If every family assisted for just one night, the roster would be covered. All profits generated has and will continue to support YOUR students and their education.

Icy Cups
The Student Council are selling Icy Cups for 60 cents each to Sporting Teams after Sport every Friday in F Block. Remaining Icy Cups are available to purchase after 3:00 p.m.

Oral Health Dental Service

The Oral Health Dental Service has arrived and will be conducting dental examinations and treatments. Forms were sent home on Monday to seek permission from parents and carers for dental checkups.
P&C Raffles and Hundred Board

Every second Friday night, the Parkhurst State School P&C Association conduct Raffles at the Parkhurst Tavern with some amazing prizes. We are aware of many parents, carers, staff members and friends of the school who would like to contribute to this very profitable fundraiser but are unable due to many assorted reasons. If you would like to secure tickets, either on a fortnightly basis or until a sum of money expires, a Raffle Slip was included in a previous Newsletter. Once completed, simply return it to school with your designated amount in an envelope and it will secure Raffle Tickets at the next draw at the Tavern.

Hundreds Board squares will also be sold each night the Raffles are convened at the Parkhurst Tavern. If you would like to secure squares on the Board, please indicate on the same Raffle Slip. Unfortunately, specific numbers may not be available. Many thanks once again to all of our incredible volunteers who consistently persevere with this relatively easy but potentially very profitable fundraiser. Well done to Angela George, Louise and Suzie Neaton for their efforts over the past weeks. Every dollar raised supports YOUR child/ren’s learning and education.

Meet and Greet in Term Three

A Meet and Greet evening will be this Term on Thursday August 14th 2014 from 5:00 p.m. for all families of Prep and Year One Learners as well as any new students and families to the school in 2014. This special evening will provide an opportunity for parents and carers to connect with each other and staff. The P&C will cater for the event and classrooms will be open to provide an opportunity for parents and carers to touch base with their child/ren’s learning.

P&C Cook Book Project

Last year, the Parkhurst State School Parents and Citizens’ Association commenced their Cook Book Project, with an amazing response of favourite, tried, tested and tasted recipes. The P&C hope to have the Recipe Book professionally published by the end of the year and are providing another opportunity for everyone to submit recipes for inclusion.

A template to record your recipe on has been included with this Newsletter. Additional copies are available from the Office on request.

Rugby Union Rookies to Reds

Rookies2Reds is a five week, one hour program run after school hours. The program cost is $60.00 per participant and includes a special pack and quality coaching by Queensland Reds Development Staff. Registrations and payments can be completed online. Trent Sullivan, a local Development Coach will soon be visiting the school to promote the program and provide flyers with the program details. More information can be obtained from the Rookies2Reds website at this link … www.rookies2reds.com.au where registrations can also be completed.

Parkhurst State School will be offering the Rookies2Reds Program in Term Three.

Enrolment Management Plan
The school was notified prior to the Winter Vacation that an Enrolment Management Plan (ELP) would be in place in 2015 to manage the intake of enrolments to the school. Parkhurst State School and a number of other North Rockhampton Schools have been identified as being required to implement these plans to ensure enrolments meet selected criteria, specifically residing within the school’s catchment area.

The Plan has also established a maximum school capacity and suggests the maximum number of Prep Students that can be enrolled. This plan will not affect any existing families with students who currently reside outside the Parkhurst State School catchment area. A community consultation session will be conducted next Term for feedback and to answer any specific questions that may arise.

Term Three Priorities
Next Term, our priorities of Numeracy, Vocabulary and Handwriting will receive a major boost. Each week, classes will focus on mental computation strategies and a problem solving strategy of the week. This information will also be shared with parents and carers via our Newsletter and Website. We have already developed posters to promote school wide consistency and develop student knowledge, understanding and application of the strategies.

Handwriting and Bookwork have been long held improvement priorities. Over the last few weeks, our Teachers and Teacher Aides have participated in professional development focusing on the teaching and support of handwriting in classrooms as well as reestablishing our shared expectations. In terms of vocabulary development, as a school, we will continue our ‘Word of the Day’ strategy, expanding this to other ‘word’ related activities to develop and enhance our learners’ knowledge, understanding and use of words. A strategy as simple as responding in sentences will assist in developing vocabulary.

Late Arrivals
This Term, as part of Education Queensland and our school’s continued commitment to student attendance, we will be more closely monitoring student arrival times. At Parkhurst State School, learning officially starts at 9:00 a.m. every day, yet we still have some students arriving up to an hour after learning has commenced.

In some instances, the learning of some children is suffering as information to set up the day in terms of intended learning is missed. For some students, important daily morning routines have not yet been established and much ‘time wasting’ getting ready can occur that interrupts and impacts on the learning of others. Regular lateness can and does impact significantly on teaching and learning time as lessons must stop to settle the late arrivals.

This can be unfair on those students who are already engaged in learning and for teachers who are amidst facilitating quality lessons. We understand and appreciate that sometimes emergencies arise that prevent lateness. Our electronic classroom roll process has already assisted us to identify individual students and families who regularly arrive after the 9:00 a.m. bell. This information also enables us to generate a range of reports regarding student attendance and absenteeism patterns.

This Term, our enhanced absenteeism monitoring strategies will include the recording of arrival times of identified students who are regularly late to use in focused conversations with parents and carers regarding the impact this has had on learning. Punctuality is a key life skill and together in partnership with parents, carers and our community, we hope to assist every learner to achieve their full potential and make every minute of every hour of every session of every day of learning count at Parkhurst State School.

Book Club News
Issue Five of Book Club was distributed to students this week. All orders and payments are due back to Mrs Stovold in Zone 21 by Friday 25th July 2014.

Thanks Bruce Young
A special thank you goes our to the Hon Bruce Young, our State Member for Keppel for once again donating a barbecue to the P&C for a future raffle or fundraiser. Pictured with Bruce is Parkhurst State School’s P&C President, Mr Ashley Welfare.
Teaching and Learning Audit

Last Term, following the school’s Teaching and Learning and Discipline Audit, we received a number of commendations, affirmations and recommendations that will assist our school to strategically plan for the next four years. This week, the commendations and affirmations are outlined from the report.

Commendations
- Since the previous Teaching and Learning Audit there has been very significant progress made in all domains.
- The school’s explicit improvement agenda, with a focus on reading, writing, numeracy, vocabulary and attendance, has been communicated to staff members and parents and is articulated in the Annual Implementation Plan (AIP).
- A school wide writing program is being implemented across all year levels. This program has been enacted in the classrooms and is supported by the Head of Curriculum and the Principal working with all teachers.
- The school’s Special Needs Action Group (SNAG) caters for the individual learning and social needs of all students. This team coordinates and assists teaching staff to effectively use data, organise student groupings, differentiate programs, maximise the resources available and continue to realign class programs to meet student needs.
- A very strong collegial culture has been established with high levels of trust and commitment to the vision and improvement agenda of the school.
- Well established links with Central Queensland University, the local high school and nearby primary schools involved in the Educational Precinct Alliance have enhanced educational connections as well as the Junior Secondary transition for students at the school.

Affirmations
- Teachers have implemented English, Mathematics, Science, History and Geography Units and have reflected on how best to address the curriculum requirements of multiage and ability classes. Planning and teaching across year levels ensures that the vertical alignment of the curriculum occurs.
- Individual Learning Plans (ILPs) for all target students have been collaboratively developed and enacted in the classrooms.
- The school’s Responsible Behaviour Plan for Students, recently approved by the school community, provides a clear outline of the rules and behaviour expectations of the school.
- A snapshot of NAPLAN results has been summarised by the Principal and curriculum leaders and are shared with teachers. Trends have been analysed and class targets have been set for reading, writing, spelling and numeracy.

Problem Solving Strategy of the Week

Each week, all classes will be exploring a problem solving strategy of the week. This week, we start with Guess and Check. A copy of the poster, which explains the strategy is outlined below.

Guess and Check

Guess an answer:
Check its correctness.
Refine the guess using
logical reasoning.
If you’re wrong, keep
trying and use what
you’ve learned in checking
your guesses to make a
better guess and find a
solution to the problem.

Now it is your try!

Lawrence has four coins in his pocket. The coins have a value of 50 cents. What coins are in Lawrence’s pocket?
What is your guess?

Of the 63 Year Five students at Parkhurst State School, there are three more boys than girls. How many boys and how many girls are in Year Five at Parkhurst State School?
What is your guess?

Carmen told James, “I am thinking of a two digit number. The digit in the tens place is greater than the digit in the ones place. The sum of its digits is 12. The product of its digits is 35.” What number is Carmen thinking of?
What is your guess?
