Thought of the Week

“Nothing is too small to know, and nothing is too big to attempt.”
- William Van Horne

Virtue of the Week

This week, our virtue of the week is consideration. Consideration is being thoughtful about other people and their feelings. It is also thinking about how our actions may affect others and caring how others might feel. Consideration is also paying attention to what other people like and don’t like and doing things that might bring happiness to them. Please consider discussing consideration with your child/ren this week.

Principal’s Message

Week Eight is Great and it is Good News Week at Parkhurst. This is the special week each and every Term when we all take the opportunity to share some good news, particularly in terms of how we are glowing. This week, you may receive a special Good News Week postcard, a Good News Note, a Letter of Commendation, an SMS or even a good old fashioned phone call. This is the week we would also like to hear from you. If you have some good news to share, let us know.

Next week, our Face to Face Reporting commences. I would hope that every family has taken advantage of this opportunity to meet with your child/ren’s class teachers to discuss their first term of learning and the specific learning goals they have developed collaboratively with their teachers. If you have not booked in a time in Weeks Nine or Ten, please contact your child/ren’s class teachers as soon as you can.

The next two weeks are very busy with many of our end of Term events scheduled including our Year 4-6 Swimming Carnival this Monday from 9:15 a.m. at the CQU Sports Complex. In Week Ten, we will have our annual Cross Country and Fun Run, this year run in the school grounds, Assembly of Excellence and Easter Hat Parade. We hope to see as many Mums, Dads and friends of our school join us.

On Tuesday evening, our regular monthly P&C Meeting was held, followed by our Annual General Meeting. Congratulations go to Mr Ashley Welfare, our President, Mrs Angela George, Vice President and Mrs Michelle Welfare, our Secretary. The position of Treasurer is yet to be filled and we are seeking interest from anyone wishing to take on this position.

Until next week,

Lyle Walker

Headphones and USBs with the school logo are for sale at the Office. Headphones are $12.00 a pair and USBs are $10.00.
Mental Computation Strategy
In 2015, Numeracy is our major learning priority at Parkhurst State School and much work has already been undertaken. This week, the whole school has focused on the mental computation strategy of **doubles** so Mums and Dads can assist their children to attain their full potential in Mathematics.

**Doubles** is a strategy often met by very young children as they play dominoes or board games with dice. Doubles lay the foundation for more sophisticated strategies such as near doubles and are often part of number splitting strategies (for example, 6+8 splitting the 8 into 7 and 1 leads to double 7 a known double). It also lays the foundation for related subtraction facts.

Aluminium Can Collection

This conversation will also extend to other areas, including behaviour and specific learning goals that have been developed as a result of the information that has been collected.

Early next week, all families will receive a special invitation to indicate the preferred days and times to meet with your child/ren’s classroom teachers. Please note days and times are not restricted to those indicated and there is room for negotiation.

Get Set for NAPLAN

Parkhurst State School, like all schools across Australia are well into our preparations for NAPLAN 2015 for all Year Threes and Fives. The text below is an example of what our Year Three learners may experience as a part of the NAPLAN Reading Test, followed by the types of questions that may accompany it. You might like to consider spending a few minutes with your child/ren to go through this example with him/her.

Choosing a classroom pet
The students in Class 4F are talking about what kind of animal to get as a classroom pet.

Pia: I think we should get a rabbit. They’re cute and cuddly and easy to look after.
Adrian: Lots of classrooms already have rabbits. Let’s get something more exciting.
Pia: Like what?
Adrian: I don’t know. Like a lizard.
Keri: I can get a blue-tongue lizard from my garden.
Tom: Can we do that?
Mr Finch: No. We would have to get a special permit to keep a blue-tongue lizard, or any native animal.
Nadim: What about a cockroach? We could teach it to talk.
Tom: My dad says it’s cruel to keep birds in cages.
Nadim: We’d feed it and play with it. We wouldn’t be cruel to it.
Pia: He means it’s cruel when birds aren’t free and can’t fly around.
Adrian: Maybe it’s cruel to keep any animal in the classroom. We can look after it during the day but it will get lonely at night.
Mr Finch: We’ll talk about this again tomorrow. Tonight, I’d like you to let your parents what we’ve been talking about.

Pia wants a rabbit as a classroom pet.
What is one reason she gives?
- Rabbits don’t eat much.
- Rabbits are cheap to buy.
- Rabbits don’t make a noise.
- Rabbits are simple to care for.

Who knows where to find a blue-tongue lizard?
- Adrian
- Keri
- Tom
- Mr Finch

Class 4F may not keep a blue-tongue lizard because
- it might bite the students.
- they do not have a permit.
- their teacher does not like lizards.
- it would be too cold in the classroom.

Pia says, He means it’s cruel when birds aren’t free and can’t fly around.
Why does she say this?
- to help Tom understand Nadim
- to help Nadim understand Tom
- to support Nadim’s opinion
- to challenge Tom’s opinion.

The National Assessment Program Literacy and Numeracy (NAPLAN) will be conducted from Tuesday May 12th 2015 to Thursday May 14th 2015. Prior to the Tests, all Principals must have finalised student participation in the NAPLAN tests. All students in Years Three and Five are required to sit for the tests unless they are withdrawn by parents or carers.

Where parents/carers do not want students to participate in the test, they must advise the Principal of their request. Students who are withdrawn from the tests will have no result recorded and no report will be provided. Adjustments may be permitted for students with a disability to support their access to the tests and facilitate maximum participation.

Teachers and parents will identify students who qualify for adjustment. Parents of students who have been identified as requiring adjustments will receive a letter prior to the Autumn Vacation period. If you have any questions regarding this year’s NAPLAN Tests, please contact Moira Mackenzie, Alana Fitchen or myself.

**Behaviour Plan Sessions**

Every year, all classes in their Neighbourhood Groups with their teachers, participate in a session that unpacks our school’s Responsible Behaviour Plan. The thirty minute session examines our school’s values, beliefs and expectations, processes and consequences (both positive and negative). The purpose of these sessions is to ensure every learner and staff member has a consistent and clear understanding of the Responsible Behaviour Plan to ensure our shared school vision can be achieved.

**National Day Against Bullying**

Today is the National Day Against Bullying, a day set aside to raise awareness in the community on what bullying is and developing strategies to address bullying if experienced. Below are two definitions of bullying from the Bullying ... No Way! website as shared at our recent Neighbourhood Behaviour Talk Sessions.

**Early Years’ Definition**

Bullying is when one student (or a group) *keeps* picking on another student *again and again* to upset or hurt them. They might hurt them physically, try to socially isolate them or say and do many mean or humiliating things to them. Although it’s neither respectful nor acceptable if someone behaves in a mean or aggressive way on one occasion, it isn’t bullying. A fight or disagreement between students of equal power or status isn’t bullying.

**Middle Years’ Definition**

Bullying is when someone...
- *keeps* picking on you again and again and tries to make you feel bad
- says or does lots of mean things that upset you
- makes fun of you a lot
- tries to stop you from joining in or make others not like you
- *keeps* hurting you such as hitting or punching you

Bullying can also happen through a mobile phone or on the internet. This is called cyberbullying. Sometimes you might have a fight or argument with someone. If it only happens once, that’s not bullying even though it can be upsetting. Bullying is not fair. It feels awful. You have a right to feel safe.

**Harmony Day**

Saturday March 21st 2015 is Harmony Day and celebrates Australia’s cultural diversity. It’s about inclusiveness, respect and a sense of belonging for everyone. In 2015 fifteen amazing years of Harmony Day is being celebrated. Visit the Harmony Day website to learn how your family or workplaces can join the birthday festivities. At Parkhurst State School, our Staff participated in a shared international lunch to celebrate our diversity.

**Wanderers’ Hockey Club**
