This week we explore our next virtue of the Term, diligence. Diligence is about working hard and doing the best possible job we can. When we are diligent, we take special care to do things step by step. We think more carefully and make sure things will turn out right. Being diligent is being industrious, giving all we have to whatever we do. Please consider discussing this virtue with your child/ren.

Next week is State Education and Under Eights’ Week and there are many events scheduled next week to celebrate these great occasions. Next Wednesday Morning, our annual Under Eights’ Activity Morning will be held between 9:00 a.m. and 11:00 a.m. All parents and carers and their ‘Under Eights’ still at home are most welcome to attend to join in the many activities on offer. That afternoon, the Regional Showcase Awards for Excellence will be announced. Parkhurst has proudly submitted an entry, ‘Music in the Middle’ that recognises the amazing work undertaken in our Music Centre. Next Thursday is our Term Two Challenge Day with an Arts, Technology Design and ICT focus. All parents and carers are encouraged to become involved and join in the announcement from 2:00 p.m. that afternoon.

Until next time,

Lyle Walker
Principal

School Improvement

Thankyou once again to all parents and carers who have taken the time to respond to the survey distributed two weeks ago regarding the development of our shared vision and beliefs around reading. This feedback has been excellent. Everyone’s ideas are valuable to us in this process and it is still not too late to give your ideas. It would be appreciated if this could be returned to school by Friday May 27th 2011.

Spelling Rule of the Week

This week’s Spelling Rule looks at adding a vowel suffix to words ending in a silent ‘e’. Before doing so, drop the ‘e’ before adding the suffix. The example below is relating to tense.

For example ...

Vikings lived many, many years ago.

A mini poster has been included with this week’s Newsletter to reinforce the rule at home. Mini posters can also be downloaded from our website at ... www.parkhurstss.eq.edu.au/spelling.htm

Every Minute Counts

Every minute of every school day for every learner at Parkhurst State School counts. Learners arriving fifteen minutes to half an hour late to school on a daily basis miss out on essential routines that set the scene for each school day. Over a week, this adds up to over an hour of valuable learning time. Likewise, students departing early on a regular basis also miss end of day routines where homework tasks are explained and distributed, the day is reflected on and goals are set for the next day ahead.

We urge parents and carers to work with us to ensure your child/ren receive the education they deserve. Education Queensland’s policy regarding roll marking clearly states that students arriving for school after 9:30 a.m. are deemed to be absent for the morning, hence this will be recorded as a half day absence on report cards. Likewise, students departing after 2:30 p.m. are deemed to be ‘early departures’. Students leaving before 2:30 p.m. are deemed absent and it will be recorded as such.
The policy clearly outlines the responsibility of parents and carers to:

- ensure their child arrives at school or their educational program on time every day
- ensure their child attends school or their educational program every school day
- minimise disrupting their child’s school day so their child has the best opportunity to learn
- contact the school prior to any planned absences
- provide an explanation (preferably in writing), if not beforehand then within two days of the student’s return to school, each time their child is absent from school, this may take the form of:
  - a medical certificate
  - a written explanation note containing the student’s name, dates and reasons for absence
  - a verbal explanation to the school through either a phone call or visit to the school.
- ensure their child follows the school’s recommended processes and procedures for late arrival and early departure
- notify the school if their child will be late using the school’s recommended communication processes, this may take the form of:
  - accompanying the child to the school
  - phoning the school or leaving a message
  - emailing the school
  - providing the child with a signed and dated note

Late Arrivals and Absences

There currently appears to be some confusion regarding late arrivals and absences. All students arriving to school after the first bell at 9:00 a.m. are requested to visit the Office to notify staff of their arrival, so attendances can be recorded accurately. Likewise, if your child/ren are not attending school, it would be appreciated if you telephone or email the school on the day or let your child/ren’s classroom teacher know on their return to school so the absence can be recorded as explained.

Signing Out

Students leaving the school at anytime during the day are required to be signed out through the Early Departure Register at the Office by a parent or carer. This is also required at any time leading up to the 3:00 p.m. bell as the school is still legally responsible for their safety. This information is recorded should it be required at a later date. Classroom volunteers are requested to sign Visitor and Volunteer Books in all learning spaces in the school to ensure everyone can easily be accounted for in case of emergency. Every ten weeks, as a whole school, we conduct an Emergency Evacuation Drill to ensure everyone is familiar with the process and are accounted for.

Your assistance is appreciated. All that is required is a minimum of thirty minutes. A variety of prizes are on offer including Tavern Vouchers, Seafood Vouchers and Meat Vouchers.

This year, volunteers and helpers are sought from each of our neighbourhoods each fortnight. If you are able to assist, even for thirty minutes, please call me on 04 0342 6224 so your name can be added to the Roster. Please consider getting a group together to make the task even easier and enjoyable. The income generated has and will continue to support YOUR students and their learning.  Thanks again to everyone who has responded and returned the form sent home earlier this week. Well done!

Creative Citizenship

This Term, our school wide curriculum focus is on Creative Citizenship. This Term, special events that foster creativity include our Extended Learning Program, ‘Music in the Middle’, our Under Eights’ Activity Morning and our Term Two Challenge Day during State Education Week on Thursday May 26th 2011. Our Term’s learning will again be celebrated at our Creative Expo on Thursday June 23rd 2011 between 2:00 p.m. and 3:00 p.m. and will take a slightly different form to previous expos with all classes providing a display in Zone 21. Hope to see you there!

Headlice Management

There has recently been some concerns raised regarding the presence of headlice. Under Education Queensland Policy, as a school we are limited in terms of what we are able to do to assist with its management. The policy states that ‘parents have the prime responsibility for the detection and treatment of head lice on their children.’

As a school, we acknowledge that the main route of transmission for head lice is head to head contact and we promote general measures that help in the prevention of infestations, including devoting one night a week to check for headlice and using products such as a combination of conditioner and tea tree oil. Students suspected of having live head lice or eggs present in their hair are not to be removed from class or school. Such students are provided with information to take home to their families and a letter requesting immediate treatment be commenced. Classmates also receive a letter to inform their parents and carers of the presence of headlice.

Advice from Queensland Health is that a whole school approach is most effective in the management, not the eradication of head lice within the school community. We understand and acknowledge that the presence of headlice can be frustrating and cause anxiety. Working together as a school community, headlice can be effectively managed and the instances reduced. For more information, please visit the documents link on our school website at www.parkhurstss.eq.edu.au

Tennis   Claire Donaldson and Josh Goodsall
AFL      Josh Corporaal

Congratulations also go to Courtney Jones who has been selected to represent Queensland for Trampoline
Queensland Week

From June 04th to June 13th 2011, Queenslanders will celebrate Queensland Week and recognise community heroes of the 2010-11 floods and Tropical Cyclone Yasi.

To commemorate Queensland Week, Friday June 10th 2011 will be Dress As Your Queensland Hero Day. On this day we are encouraging our Prep to Year Seven students to come to school dressed as their Queensland hero, favourite Queensland icon, community hero or inspirational character.

As part of this initiative, the Queensland Government will be running a photographic competition with prizes awarded to the best dressed students. The competition will be coordinated by our Student Council. For more information please visit the Queensland Week website at http://www.premiers.qld.gov.au/events/queensland-week/school-competition.aspx

Instrumental Music

Due to ongoing clashes with sporting commitments, the school Concert Band has not had enough rehearsal time to adequately prepare them for their performance in the forthcoming Eisteddfod. As a result, the performance scheduled for next Friday morning at the Pilbeam Theatre has now been cancelled.

Parkhurst Recipe Book

The Parkhurst Parents and Citizens’ Association is publishing a 2011 Recipe Book. Please contribute your best and favourite recipes with your name to assist in the compilation of this book. We are also seeking any favourite hints and remedies to be included throughout the book. Our aim is to have this book ready for sale by Christmas. So, come on everyone and contribute your recipes by leaving them at the front Office.

2011 Premier’s Reading Challenge

It’s time to sign up for the Premier’s Reading Challenge! The Premier’s Reading Challenge is an initiative of the Queensland Government’s commitment to giving all Queensland children a flying start to learning and life.

Last year, 71,000 students completed the Challenge reading more than one million books. This year the sky is the limit and we want all students to read even more. The Challenge, now in its sixth year, aims at improving children’s literacy, cultivating a passion for literature and encouraging children to read widely for pleasure and learning.

The Premier is challenging every state and non state school student from Prep to Year Two to read or experience 20 books, Years Three and Four to read 20 books and Years Five to Seven to read 15 books between May 09th 2011 and August 26th 2011. The Premier’s Reading Challenge recognises the range of student abilities in Queensland classrooms. All students are encouraged to participate because the Challenge is not a competition, but a way to provide greater involvement and develop a love of reading for life.

Children who take up the challenge and read the required number of books will receive a signed certificate from the Premier. Schools with 100 per cent participation will go into the running for numerous lucky draw prizes. In 2011, we are aiming to have more than 75,000 students to complete the reading challenge. So sign up for this year’s Challenge and start reading!

Caught You Reading!

This week, Ms Kath Warcon was caught reading with her Year 4/5 students using Active Expressions to capture their understanding of the text. Well done Ms Warcon.
On Wednesday, our State Member for Keppel, Mr Paul Hoolihan spent an entire school day (and longer) with us as Principal for a Day. During his day, Mr Hoolihan visited every classroom, had tours of learning spaces, interacted with staff, parents and carers, assisted in the teaching of our daily Prep/One Intensive Writing Program, heard from teachers and learners about the global Informed Citizen Projects happening in all learning neighbourhoods, experienced a range of technologies and managed to compose his own song in the Music Centre with Year 4/5 and Mr St Henry.

All in all it was a fantastic day. Mr Hoolihan now has a very clear understanding of just what makes our school ‘tick’ in terms of our shared vision, beliefs and priorities for the future. Next week, whilst Parliament is sitting in Mackay, Mr Hoolihan will be devoting his allocated time to address the entire Queensland Parliament specifically about his time as Principal for the Day at Parkhurst and the enjoyable time he had. Next week, during State Education Week, we will be hosting another Principal for a Day, a well known Media Personality.
Assisting P/1s during their Intensive Writing Session

Mr Hoolihan even took time to juggle three balls
