Thought of the Week
“Food is our common ground, a universal experience.” - James Beard

Virtue of the Week
This week, we begin with the virtue of patience. Patience is quiet hope and trust, expecting things to turn out all right. Patience is also being calm and tolerant when difficult situations arise. Patience also means showing acceptance when you or others make mistakes. Patience is doing something for outcomes in the future, like planting a seed and waiting for it to grow. Patience is a commitment to the future. Please consider discussing being patient with your child/ren this week.

Principal’s Message
The weeks are passing very quickly with only fifteen days of learning remaining for 2014. I am a strong advocate for ensuring every day of learning counts. At Parkhurst State School, we guarantee that learning will continue until the end of this Term as every remaining school day is a precious day of learning for our students.

Next week is Good News Week and at Parkhurst State School, we believe ‘Week Eight is Great !’. Next week, all staff will be celebrating great achievements, milestones and efforts through communications with parents and carers in many forms. A BIG thank you to Mrs Flint’s and Ms Galbraith’s learners for some fantastic designs for our new Good News Week postcards. Look out in your letterbox next week, you might just receive one. You may also receive a personal SMS, a Good News Note, a phone call or even a letter of commendation from myself. We too would like to receive your feedback during this special week.

In Week Nine, celebrations continue with our Senior Graduation and our Term Four Assembly of Excellence on Friday December 05th 2014. This special Assembly will acknowledge our Awesome 100% Attendees, our Bronze, Silver, Gold and Platinum Behaviour Award recipients, our learners who have achieved an ‘A’ on their Semester Two Report Cards and our regular ‘5R’ Awards for each of our school values. This special event will also feature our School Choir. If you have the time to attend, we would love for you to join us and help celebrate the wonderful achievements and efforts of our learners.

Until next week,

LYLE WALKER

Our Weekly Attendance Statistics

Attendance continues to be our priority. Our aim by the end of the year is to reach 96% and have classes of ‘Every Day Counts’ Champions. Our current school wide daily attendance rate this week is 92.3%. The attendance rate of each class is listed below, with some good improvements noted. Well done everyone!

Student Absence Line

Parents and Carers are encouraged to use the school’s Student Absence line to report their child/ren’s absences on 07 4924 6566.

School Banking

Our Student Banking Program is offered every Wednesday for all students from Prep to Year Seven. For every deposit made, the school receives a small commission that soon adds up. Thanks again to Angela George, for a job well done each and every week!
Semester Two Report Cards

This week, some families would have received a special letter from the school to provide a current email address. This Semester, all Report Cards will be emailed directly to the email accounts of parents and carers. Printed copies of Report Cards will be also be available upon request. This process will ensure all parents and carers receive reports on the same day, minimise the risk of comparisons being made by students prior to reports arriving home and assist to conserve the resources used in the publishing of Report Cards.

For those students whose parents or carers do not have email accounts, printed reports will automatically be sent home. If you have recently changed your email address, please notify the Office as soon as possible. Likewise, if you wish to obtain a printed Report Card, please notify the Office as soon as possible. Semester Two Report Cards are scheduled to be released via email on Tuesday December 02nd 2014.

2015 Class Groups

Our predicted whole school enrolment for the start of 2015 currently stands at 320 learners with many variances across each of our seven year levels. As a result, it has been a challenging task to develop a DRAFT class structure that provides capacity for future growth and meets the class size targets of twenty five students in Prep to Year Three and twenty eight students in Years Four to Six. At the current time, there are still some teaching vacancies to fill and once these are completed, we will be in a position to allocate teachers to classes.

At Parkhurst State School, we are very fortunate to be in a strong position of growth with the transition of our Year Sixes and Year Sevens to secondary school. The DRAFT class structure is outlined below and may be subject to change pending additional enrolments. This structure also provides us with increased flexibility to place children across multiple setting to best meet their individual needs.

Leaving Us or Joining Us?

Specific information is being sought to assist us in the accurate prediction of our student enrolment numbers. If your child/ren happen to be departing the school at the end of this year, we would love to hear from you. This information will allow us to accurately determine the number of classes we will have in 2015 as well as our staffing and facility requirements. Thank you once again to those families who have already contacted us.

A special form was included in past Newsletters for parents and carers to provide specific information to assist us in the formation of our 2015 class groups. We would appreciate this information by this Friday November 21st 2014.

2015 Book Packs

This week’s Newsletter features the process to follow to order 2015 Book Packs online. The cost of items is available from the Office for comparison, which will dramatically save time and money. The password is 4PARKBTS. Parents and carers are not limited to this as the only option as three options are available as follows …

- **Online ordering.** Information will be provided regarding a process for online ordering of the Book Packs of the Year Levels required delivered to your door at a dramatically reduced cost. Details will be provided as soon as possible.
- **Richardson Road News.** Simply take your 2015 Book List to the Richardson Road Newsagency and have it filled by Staff for collection at a negotiated date.
- **Self-Selection.** Use the Book Lists provided to source the equipment, stationary and materials yourselves at a range of local outlets and businesses.

We hope to be in a position to have this information available by the end of week nine to enable families to commence their purchases before the end of the year. This information will also be uploaded to our school website with links to the online ordering site.

Electronic Newsletter List

If you wish to receive an email notification each week, please send an email to the.principal@parkhurstss.eq.edu.au with “Electronic Newsletter” in the subject field. Next year, we anticipate heading towards this as our preferred distribution method.
Icy Cup Fridays
Next week is the final week that the Student Council are selling Icy Cups. They are available at Second Break every Friday from the SEP for 60 cents for Bus Students only. Remaining Icy Cups are available for Non-Bus Students to purchase after 3:00 p.m.

2015 Improvement Priorities
The following key recommendations will inform our 2015-2018 School Strategic Plan and Annual Implementation Plan over the next four years.
- Increasing the number of learners achieving a ‘C’ and above in English, Mathematics and Science
- Ensuring all learners are achieving at and above the national minimum standard with increased Upper Two Band performance
- Maintaining a heavy Literacy and Numeracy Pre/Intervention focus in the Early Years
- Increasing school wide Numeracy Performance (ie; through mental computations and problem solving)
- Monitoring attendance to achieve our 96% attendance target through ‘Every Day Counts’ Strategies, with a team approach to the case managing students at risk
- Increasing collaboration with feeder secondary school to increase Year 6/7 retention/transition to maintain and promote public confidence in State Education
- Developing staff as an expert teaching team through quality and ongoing professional learning and rigorous feedback processes
- Refining Pedagogical and Curriculum Frameworks to reflect school and systemic priorities and clearly articulate the ‘standard’ pedagogies that should be present in all learning spaces
- Further developing staff data literacy skills
- Continuing to differentiate across all learning spaces, with visible evidence in curriculum planning and classroom practice, particularly the development of higher order thinking skills to cater for learners in the U2Bs and those identified as ‘AB’ graded learners
- Providing opportunities for parent/carer and community engagement, including training
- Continuing to embed school wide processes within Responsible Behaviour Plan through ongoing induction and professional development and focused classroom observations

Each of these key recommendations will form the basis of our long and short term strategic planning, including our Explicit Improvement Agenda as outlined in the poster below.

Aluminium Can Collection
Empty aluminium cans may be left in the wired collection point at the front of the school for recycling. Every can means money for Parkhurst.

Parkhurst Tavern Raffles
The P&C’s Parkhurst Tavern Raffles are now once a fortnight and everyone is welcome to become involved with this profitable fundraiser.

Volunteers are still sought every fortnight to assist with the sale of tickets for some amazing prizes. If you are able to assist, please consider contacting a P&C Member to be added to the Raffle Roster. All profits generated has and will continue to support YOUR students and their education.

Are You Enrolled for Year 7 or 8?
Our local State Secondary Schools have advised that it is still not too late to enrol for Year Seven or Year Eight for 2015. Appointments for interviews are still being taken at both schools. If you require any additional information please contact either Glenmore State High School or North Rockhampton State High School.

2015 Leadership Positions
Our Year Fives have commenced the process of verifying their leadership skills and capacities for the selection of our 2015 Leaders with great enthusiasm. Positions include School Captains, Sports House Captains and Student Councillors.
Get Set for Prep

Enrolments and Information Packages are now available for children who wish to commence Prep this year and next. If your child turns five by June 30th, they are eligible for Prep that year. The table below is a guide to assist families determine their child/ren’s Prep eligibility.

Graduation Ceremony

Our annual Senior Graduation for current Year Six and Seven students will occur on Thursday December 04th 2014 at Central Queensland University in the air conditioned Theatre, commencing at 9:30 a.m. This event is one of the few opportunities we get to assemble as an entire school each year to recognise learners on their achievements and significant milestones.

The second last Thursday of every year is always dedicated to this special event, which includes the presentation of a number of key awards, including the outstanding academic award, outstanding literacy and numeracy achievement and outstanding citizenship. Buses depart the school between 9:00 a.m. and 9:15 a.m. All parents and carers are welcome to attend and there may even be space on a bus.

School Concert

Preparations are currently underway for our annual end of year Concert, scheduled for Wednesday December 10th 2014 at 1:30 p.m. Classes have been busily preparing their items, which will see a wide variety of songs performed. As in past years, the focus of this event is on maximising student participation and providing an opportunity for all classes to perform as a group before an audience. This year, due to the increasing need for space, the lawn area, directly behind the Tuckshop will be used to create an ‘arena’ style performance space.

Parents, carers and other guests will be seated in prime locations under the shaded walkways with our ‘stars of the show’ positioned under our many marquees with full view of the performances in the middle. Once again a huge thankyou goes to Mr Dave St Henry for all of his continued work and Class Teachers for their efforts leading up to this special event. Our school Choir will also perform as will our Staff with a very special item currently being rehearsed.

Assembly of Excellence

Our Term Four Assembly of Excellence is scheduled for Friday December 05th 2014 in the Assembly Area, commencing at 9:00 a.m. This special Assembly is an opportunity for all of our learners to have their ‘five minutes of fame’ for consistently demonstrating great effort, enthusiasm for learning and excellence. During the Assembly, our Choir will perform and Certificates and Awards will be presented for …

- **100% Attendance**
- **Academic Awards** for achieving an ‘A’ on Semester Two Report Cards
- **5R Awards** for Respect, Responsibility, Rigour, Resilience and Relationships
- **Champion House** for House Merits
- Bronze, Silver, Gold and Platinum **Behaviour Certificates**
- Gold 5R Star Badge Presentations

Disco Thanks

A special thank you goes out to all who contributed to a highly successful end of year Disco last Friday night. The theme, ‘Red Carpet’ arrival certainly inspired some creative costumes. A special thankyou goes to Mr Dave St Henry for his wonderful ‘Djing’, supported by Mr Matt Wilson and Mr Les Cowan in preparing the space with new lights. Thank you also to the Student Councillors who assisted and donated the new lights as their legacy to the school. An extra special thankyou also goes out to our P&C for coordinating the catering and to the following staff for their commitment to our learners by being present on the night and supervising. Well done Mrs Catherine Lancaster, Ms Kath Warcon, Mrs Michelle Maddawat, Mrs Wendy Evans and Mrs Roslyn Black.

Every Day of Learning Counts

Every school day is a precious day of teaching. The 2015 School Calendar indicates that there is a maximum of 195 teaching days for the year. With still several weeks until the end of the 2014 school year, I know you will assist us to ensure that every remaining school day will be a precious day of teaching and your child/ren continues to attend.

Exploring Maths with Your Child/ren

This week, we continue to explore strategies that can be used in the home to support the numeracy development of learners.

Recipes and Cooking

- Collect and read recipes and discuss the use of fractions, millimetres and grams
- Encourage your child to make accurate measurements using measuring cups and spoons.
- Discuss how you would double a recipe. Encourage your child to record the new measurements for the recipe.
- Identify the temperature and cooking time on a recipe.
- Estimate the cost to buy all the ingredients to make the recipe.
- Make a list of the abbreviations used in the recipe and then write them in full, for example, L for litre, mL for millilitre, tsp for teaspoon, tbs for tablespoon.

Catalogues
- How would you spend $40 from a catalogue? How many products can you buy for $40?
- Select five products from the catalogue then calculate what the cost would be if there was a 50% sale. Does it make a difference if you add up the items, and then deduct 50%, or if each item is reduced by 50% then totalled?
- What is the best value sale item in the catalogue? Can you explain your reasoning?
- What are the cheapest and most expensive items in your catalogue?
- Compare the cost of a product across different stores using different catalogues. What did you find?

Travel Timetables
- Can you identify your starting point on the timetable?
- What is the earliest and latest time to travel on this route? What is the difference?
- How long does it take to travel the entire route?
- How many stops are there on this route?
- What is the difference in the time travelled when not making all stops?
- What is the cost? Is it good value compared to other travel options?

Problem Solving Challenge Week
It has been a week of fun Mathematics this week with all classes participating in our Problem Solving Challenge. Classes have had to use their iPads to scan QR codes to download problems associated with each of our ten problem solving strategies. Our CUBES problem solving process was also used to assist learners to think through and strategise how they would solve each problem. Once solved, learners emailed their responses with evidence of their thinking.

Evidence included screen captures of their interactive whiteboards, photographs, videos, flipcharts, photographs of their working out and detailed written accounts of the way they approached each problem. Each station was individualised per area of the school, providing challenges for classes to work at higher levels if they chose to do so. The winners and a range of other awards will be announced at next Friday’s Assembly. It was wonderful seeing parents and carers getting in on the action to putting their brains to the test.
