Thought of the Week
“Do not worry about your difficulties in Mathematics. I can assure you mine are still greater.”
- Albert Einstein

Virtue of the Week
Our virtue of the week is optimism. Optimism is looking on the bright side of everything and always seeing the good in a situation, no matter how difficult and challenging this may be at times. Being optimistic is all about our attitude. It is also about seeing a glass ‘half full’ rather than ‘half empty’. When we are optimistic, we are confident, see the best in situations and generally lead a happy life. Please consider discussing optimism with your child/ren over the week.

Principal’s Message
On Monday, this year’s NAPLAN results were released. There has been much talk in the media, particularly around the area of writing. At Parkhurst State School, we have continued to show steady improvement with our Year Sevens this year performing well across all areas and in the area of Grammar and Punctuation, this was above the national mean. Our Year Seven Numeracy also saw much improvement compared to the two previous years. This year, a preliminary analysis indicates that our learners are achieving results much closer to the overall results of all state schools and like schools. In 2015, reading, writing and numeracy will continue to be our explicit improvement focus areas and priorities and this year’s NAPLAN results clearly support our decisions.

A H-U-G-E congratulations goes out this week to everyone who contributed or participated in our annual Book Character Parade held yesterday. The Assembly Area was a sea of colour and it was so pleasing to see so many of our senior students continue to participate. Well done Mrs Heather Stovold and her team of helpers for organising the amazing displays in Zone 21 and to Ms Moira Mackenzie for your wonderful enthusiasm and love for reading that went into this year’s Parade. Feedback from everyone I have spoken to has been amazing.

Finally, today we had two teams in the grand finals for Rugby League and Soccer. At the time of printing the Newsletter we were unaware of the Soccer results but our League Team were triumphant against Frenchville winning 34-0. Awesome job team!
Our Stars of the Week
Congratulations go out to the following students recognised as our ‘Parkhurst Stars’ for consistent achievement and effort. Well done everyone!

Every minute of every hour of every session of every day of learning counts at Parkhurst State School

Student Absence Line
Parents and Carers are encouraged to use the school’s Student Absence line to report their child/ren’s absences on 07 4924 6566.

School Banking
Our Student Banking Program is offered every Wednesday. For every deposit made, the school receives a small commission that soon adds up. Thanks again to Angela George, for a job well done each and every week!

Parkhurst State School P&C
Next Meeting
Tuesday September 16th at 6:30 p.m. in Zone 21
Everyone Welcome!

Face to Face Reporting
Face to Face Reporting will commence in Weeks Nine and Ten. Very soon, all families will receive invitations from Classroom Teachers to identify suitable days and times to meet and discuss the achievement and performance of learners.
Electronic Newsletter List
If you wish to receive an email notification each week, please send an email to the.principal@parkhurstss.eq.edu.au with ‘Electronic Newsletter’ in the subject field.

Icy Cup Fridays
The Student Council are selling Icy Cups for 60 cents each to Sporting Teams after Sport every Friday in F Block. Remaining Icy Cups are available to purchase after 3:00 p.m.

Parkhurst Tavern Raffles
The P&C’s Parkhurst Tavern Raffles are now once a fortnight and everyone is welcome to become involved with this profitable fundraiser.

There is virtually nothing to do except turn up, sell tickets and conduct the draws. Volunteers are still sought every fortnight to assist with the sale of tickets for some amazing prizes. If you are able to assist, please consider contacting a P&C Member to be added to the Raffle Roster. If every family assisted for just one night, the roster would be covered. All profits generated has and will continue to support YOUR students and their education.

P&C Uniform Shop
The P&C’s Uniform Shop opens every Friday from 8:30 a.m. to 9:00 a.m. Uniform Sales are by CASH or CHEQUE only. A full Pricelist of all items is outlined below. A collection of second hand items is available. For sales and information, please visit the Uniform Shop or contact me by telephone on 04 4738 3265 or by email at welfare@internode.on.net

Problem Solving Strategy of the Week

Problem Solving supports numeracy and literacy development by assisting learners to interpret questions, think beyond what is written and consider alternative ways to answer a question. This week, our strategy is to work backwards.

When working backwards, the answer is known and the question requires you to start with the answer and use the information in the question to step backwards.

Work Backwards

When working backwards, start with the final answer. Use the information and data available in the problem to take steps backwards. This may also include a number of computations.

Your Turn to Problem Solve!

Mystery Number
Imagine a mystery number exists. If I double the hidden number and add 3, the total is 15. Can you work out what the hidden number is?

The Long Cycle
Sally cycles one third of the way to school and then is driven the remaining six kilometres by a friend’s family. How far does she live from the school?

Doubling Rabbits
The number of rabbits in my rabbit farm doubles each month. At the end of last month there were 24,000 rabbits. When were there 1500 rabbits?

Apples
I bought some apples from the supermarket. I used 13 of them to make a pie, and then my brother ate three of them. There are now 7 left. How many apples did I buy originally?

Doing Maths Together at Home

This week, we continue to explore some strategies you can use in your home to assist your child/ren develop their knowledge of mathematics and skills.

Measuring Things
- Use a wall measuring chart to measure the height of people in your family.
- Cut a piece of string for your child, any length will do. Use the string to measure the objects in your house to find out what is longer or shorter than your ‘string measuring tape’. Ask your child to identify anything that is the same length.
- Explore other ways of measuring using a cup, jug, teaspoon, icy pole sticks, footprints or hand lengths.
- Build a tower of blocks that is taller than a favourite toy. Ask your child to count the total blocks to measure the height of the tower.

Go on a Number Hunt
- With your child find numbers around you, for example house numbers, calendars.
- Look at and say the numbers on car number plates, signs, calendars, newspapers, shopping catalogues, speed signs, house numbers.
- Use different numbers as the starting point for practising counting. For example, start counting from 6 or 10. Ask your child to count forwards and backwards. Ask what number comes before or what number comes after.
- Identify the numbers on a calculator. Use an online talking calculator at http://pbskids.org/cyberchase/games/calculator/calculator.swf

Fathers’ Day Raffle
The Parkhurst Parents and Citizens’ Association is in the process of organising its annual Fathers’ Day Raffle with some amazing prizes available, including a Weber Barbeque. Other donations of items for additional prizes are also sought. Thanks once again to Angela George, Jo Watterson, Beth Fothergill and Ashley Welfare for securing some great prizes. Prizes will be drawn at our Assembly on Friday September 05th 2014
