Thought for the Week

"My life is every moment of my life. It is not a culmination of the past." Hugh Leonard

Virtue of the Week

This week, our focus virtue is **tolerance**. Tolerance falls under our value of respect. To be tolerant is to accept differences. You don't expect others to think, look, speak or act just like you. Tolerance is being free of prejudice, knowing that all people have feelings, needs hopes and dreams. To be tolerant also means to accept things you wish were different with flexibility and patience. Please consider discussing being tolerant with your child/ren over the next week.

Principal’s Message

Welcome back to week seven. Term three is our longest term of the year (11 weeks) and by this time we can all become rather tired as the end of the term and ultimately the end of the year is nearing. As is included above, it is very important that we all focus upon this week’s virtue of Tolerance, during this time.

Last Friday on parade, we were visited by Constable Lee Coulter of Rockhampton Police. Constable Coulter spoke with the students about ensuring that they “go straight home” after school and always ask for mum or dad’s permission before they go to a friend’s house.

Over the last few weeks, we have been involved in our scheduled reading and writing data collection. This process is critical to a school, as this data is used by teachers to assist them in determining what they need to focus on in their planning and to assess their own effectiveness around the teaching of these two key areas. Parkhurst school teachers have shown a key interest in looking at their students performance, measuring that performance against school targets and then determining what they need to do for their students to have them continually improve. As I mentioned last week, more input from home will always translate to better learning from children. Sitting with your children and having them read aloud to you or reading with/to them is one of the best ways to work with your child on their reading abilities. I especially urge fathers to be proactive in reading to their children as this quickly breaks down any stereotypes which children, especially young boys have about reading.

I ask you all to ensure that you remain focused on our schools vision - **every Parkhurst learner being literate, numerate, safe, happy and learning every day.**

Have a safe and happy week,

Matt Winter

Punctuality and Attendance

This Term our focus is on ensuring that, where possible, every day of learning for every Parkhurst State School learner counts. To us, we value every minute of every hour of every day. The official time we commence instruction is at 9:00 a.m. every day. If your child/ren arrives even fifteen minutes after the first bell, already they have missed out on a significant amount of information that sets them up for success for the day ahead. Likewise, if your child/ren depart early, similar important information may also be missed.

Last Semester, we were able to recognise over thirty learners who have sustained 100% attendance. There is also an obvious link between learners who attend regularly and their achievement. Regular attendance not only supports your child/ren’s academic success, it also promotes lifelong lessons that will place them in good stead for futures beyond the school. In Week Eight, we will once again recognise and celebrate exemplary attendance through Letters of Commendation.

Finance Options

The school now has the ability to assist families with school fees using the Centrelink based program Centrepay. Centrepay is a free direct bill-paying service offered to customers receiving Centrelink payments. Through Centrepay you can choose to pay bills by having a regular amount deducted from your Centrelink payments. If you are interested in applying for Centrepay please phone admin or stop in for an information pack.

Guide to assist families determine their child/ren’s Prep eligibility.

All teams are registered under the name Parkhurst.

Each year, schools review their Responsible Behaviour Plan for Students in light of changes to legislation, new initiatives and priorities to ensure the plan meets the needs of learners and communities. In 2012, Parkhurst State School’s Responsible Behaviour Plan undertook some minor changes including responses to cyber bullying and the presence of weapons in schools. This year, as part of this process, you are invited to provide feedback by expressing your views, opinions and ideas to the following key questions. Once completed, we would appreciate your response by Friday August 02nd 2013. Likewise, we welcome your individual responses via email with ‘Behaviour Review’ in the subject field to the.principal@parkhurstss.eq.edu.au.

If you would like to be a member of our Behaviour Team which meets twice a year, please express your interest in the section at the bottom of this form.

Dear Parents and Carers,

In 2014, the Parkhurst State School Parents and Citizens’ Association will once again be providing Book Pack for learners of all year levels, which includes all the stationery and equipment required for all learners. This initiative aims to take away the back to school financial pressures following the festive season as well as ensuring all students have the same books and materials, of the same high quality as per the Booklist at a reduced cost, due to our bulk purchase. It also takes away the burden of shopping at several locations to obtain the specific materials outlined. The receipts provided can be used to claim the Education Tax Refund currently offered by the Federal Government.

We anticipate, Book Packs will be available for collection upon payment mid to late November so items can be personalised over the Summer Vacation period. There may still be some basic items that parents and carers will need to supply, some of which your child/ren may have from previous years or may use again in the future. These items may include compasses, pencil cases, scissors, recorders, calculators, paint shirts, etc.

To ensure we accurately order the stock we require, we are currently seeking Expressions of Interest from all families with learners currently in Prep to Year Six. If you wish to take advantage of this initiative, please complete the form attached to this letter and return it to the Office no later than Friday August 30th 2013.

I trust you will take advantage of this wonderful initiative once again for your child/ren in 2014.

Kind regards,

Lyle Walker
