Thought of the Week

“There are two motives for reading a book: one, that you enjoy it; the other, that you can boast about it.”

- Bertrand Russell

Virtue of the Week

Our virtue of the week is optimism. Optimism is being positive and expecting the best possible outcome from any given situation. When we are optimistic, we are hopeful and confident about the future or the success of something. Optimists look at a glass as half full, whereas as pessimists see the same glass as half empty. When we show optimism, we are confident and expect the best and see the best in all things. Please consider discussing optimism with your child/ren this week.

Principal’s Message

Late last week, we received the ‘raw’ scores for this year’s NAPLAN Testing for Years Three and Five. Using last year’s formulas as a guide, our Year Threes and Year Fives have shown significant improvement in four of the five areas compared to last year. Teachers have attributed this improvement to tight schoolwide expectations and targets, consistency in programs, the Great Results Guarantee initiatives and our weekly targeted Intervention Program, supporting and extending learners. This is a ‘rough’ cut of our data and we envisage a more detailed analysis to be provided by the end of next week. This information is already assisting teachers to renegotiate individual learning goals and adjust aspects of their planning.

A statewide recruitment and selection process was conducted recently to appoint our Head of Curriculum for the remainder of 2015. It is exciting to announce that Mrs Vanessa Flint was successful in ‘winning’ this job from a pool of applicants across the State. It is envisaged that Mrs Flint will commence her Head of Curriculum (HoC) role in Week Four. I am in the process of recruiting a Teacher to backfill Mrs Flint for the remainder of the year. Mrs Flint’s role will include curriculum development and alignment, data analysis, coaching and mentoring, lesson observations, feedback and modelling. Please join me in congratulating Mrs Flint on her successful transition to her new role in the school.

I would like to take this opportunity to congratulate all of our learners who have represented the school and district in a range of sports over the past few weeks. Feedback regarding their sportsmanship, effort and achievements has been overwhelmingly positive. Well done everyone!

Until next week,

Lyle Walker

Mental Computation Strategy

Our mental computation strategy next week is change the order. Below is the poster displayed in all classrooms with an explanation to assist Mums and Dads to help their child/ren in the area or mental computations or 'number facts'.

Addition is a commutative process and it does not matter which order the numbers are added in. This is useful when adding strings of numbers because it means that numbers can be added in an order that makes applying strategies more logical. For the example, $8 + 3 + 2 + 4$, it makes sense to match the rainbow pair $8$ and $2$ to make $10$, a friendly number, and then to add the near double $3$ and $4$. $10 + 7$ is then very easy to finish with.

Student Banking Program

Our Student Banking Program operates every Friday for all students. For every deposit made, the school receives a small commission that soon adds up. Extra Banking Packs are available from the Office.

Aluminium Can Collection

Empty aluminium cans may be left in the wired collection point at the front of the school for recycling. Every can means money for Parkhurst.

Our Electronic Newsletter is Here!

Our weekly Newsletter is distributed electronically each Friday. If you would like a weekly notification, follow us on Facebook or email the.principal@parkhurstss.eq.edu.au

Icy Cup Fridays

The Student Council are selling Icy Cups for **60 cents** every Friday from the Neighbourhood Centre at First Break for Bus Students and after 3:00 p.m. for Non-Bus Students.

Tuckshop News

Tuckshop operates on **Wednesdays, Thursdays and Fridays**. If you are new to our school and can spare some time to volunteer, I would love to hear from you by dropping in to say, ‘hello’ or calling the Tuckshop directly on 4924 6535. Look out for our new Tuckshop Menu, which will include weekly ‘Meal Deals’ and specials. The new Menu can be accessed via our Website.

School Photos

Our School Photo Day is **Wednesday August 05th 2015**. Earlier this week, information regarding this year’s School Photograph packages and payment options were sent home to all families. Please note that this date is normally a Sports Shirt Day and all learners will be required to wear their regular red or black Prep shirts for these photographs.

Ready Readers Program

In Week Six, Lauree Lanyon from Genmore State School will be facilitating a ‘Ready Readers’ Program for any interested parents and carers of children in Prep to Year Three on **Wednesday August 19th 2015** between 9:00 a.m. and 11:00 a.m. This is a **FREE** skillling session with Morning Tea provided. This two hour session will provide practical strategies to support children in the home to become confident and proficient readers. A special invitation was sent home via all children in Prep to Year Three earlier this week. If you are interested, please RSVP as soon as possible as numbers are limited and already the session is filling up.

Get Set for Prep

Enrolments and Information Packages are available for children who wish to commence Prep this year and in 2016. If your child turns five by June 30th, they are eligible for Prep that year.

Late last year, changes were made regarding Prep. Principals have the discretion to enrol students who turn five by July 31st. Prior to a decision being made, a detailed enrolment interview will take place to determine his/her suitability and readiness. The table below is a guide to assist families determine their child/ren’s Prep eligibility.

Parkhurst Tavern Raffles

The P&C’s Parkhurst Tavern Raffles are conducted fortnightly and everyone is encouraged to participate and assist with this highly profitable fundraiser. Every fortnight, volunteers are sought to assist with the sale of tickets for some amazing prizes. If you are able to assist, please consider contacting a P&C Member to be added to the Raffle Roster. All profits generated have and will continue to support YOUR students and their education. If you and a friend helped just once, you wouldn’t need to help again for three or four years.

P&C Uniform Shop

The P&C’s Uniform Shop opens every Friday from 8:30 a.m. to 9:00 a.m. Uniform Sales are by CASH or CHEQUE only. A full Pricelist of all items is outlined below. A collection of second hand items is available.

For sales and information, please visit the Uniform Shop or contact Michelle Welfare by telephone on 04 4738 3265 or by email at welfare@internode.on.net. EFTPOS is on its way!

Are YOU a Parkhurst Star?
Prep Entry Age in 2016

If you have a child born from July 01st 2010 to June 30th 2011 he/she is eligible for Prep enrolment in 2016 at Parkhurst State School. Enrolment Packages are now available at the Office. Please complete an enrolment form and return it to the Office or alternatively visit www.parkhurstss.eq.edu.au and click on the top Enrolment Tab to download the Enrolment Form. For more information please call the school on 07 4924 6555.

We need to be certain of the siblings of current students who are attending Prep at Parkhurst State School in 2016. Your early advice assists us to make accurate decisions around classes and staffing, as well as managing our enrolment growth and capacity.

Demand Writing Program

Our focus on writing recounts continues, with some fantastic responses seen from our weekly writing stimuli. A recount is the retelling of an event or series of events. Recounts can retell factual or imaginary events. Below is the task presented to learners earlier this week.

Secondary School References

State primary schools do not prepare written references for students transitioning to secondary school. Most schools are very happy to accept Parkhurst State School learners as they are well behaved and come from a great primary school with high expectations and standards. If parents and carers are asked for a reference, we suggest enclosing the most current Report Card, which provides more information than the reference. However, if contacted by a secondary school, we are only too happy to provide a verbal referee report.

Prep 2016

We are requesting that younger siblings of all current students who are eligible for Prep in 2016 complete Enrolment Forms and lodge with the Office as soon as possible.

Earn and Learn Points

Woolworths Earn and Learn is back and it is now easier than ever to earn valuable resources for our school. From Wednesday 15th July to Tuesday 8th September 2015, when you shop at Woolworths you can collect Woolworths Earn and Learn Stickers from the checkout operator or through an online order and place them on a Woolworths Earn and Learn Sticker Sheet. There’ll be one Woolworths Earn and Learn Sticker for every $10 spent. Once completed, simply place the Sticker Sheet in the Collection Box at the Office.

Aluminium Can Ring Pulls

Parkhurst State School is still collecting aluminium can ring pulls for the Ring Pull Association. This week, the ‘Guess the Number of Ring Pulls’ Competition started at $1 for three guesses, coordinated by our Student Councillors. If you have aluminium cans or the ring pulls, send them along to Mr David St Henry in the Music Centre.

Girls Come and Try Session
Football Central Queensland will be holding a Girls Come and Try Session, for girls who have not tried Football (Soccer) before, on Saturday July 18th 2015. The session will be held at Norbridge Park Junior Soccer Fields, at 2:30 p.m.

If you have any queries, please do not hesitate to contact Steve Royes at Football Central Queensland on 07 4922 4470 or 04 1975 2376. To nominate to attend, please contact Football Central Queensland on 4922 4470.

Every Day Counts
Each week, the attendance and absenteeism information regarding every Parkhurst State School learner is analysed to determine the patterns and trends of individual learners. After three days of unexplained absences, classroom teachers contact parents and carers to determine why the absences have occurred. If contact is unable to occur, after five days, the Principal will contact parents and carers for an explanation.

Trends and patterns regarding learner absences on particular days of the week, for example are also identified. If such patterns are having a significant impact on the learning of students, contact will also be made. Each Term, the parents and carers of any learner who has been absent for less than 90% of the time will be contacted to alert them to the impact this may be having on their child’s achievement, overall performance and success. Currently, 62.5% of our learners attend at or more than 90% of the time.

School Opinion Survey Time
This year’s School Opinion Survey will be conducted between Monday June 29th 2015 and Friday July 31st 2015.

All families have the opportunity to complete the Parent/Carer Survey this year. Survey access details will be sent home to every family in the school after the holidays. The survey is anonymous, and the results are not reported in ways that an individual’s response can be identified by the school. Parents and Carers are encouraged to complete the survey online. It’s important that as many parents and carers as possible complete the survey.

School Annual Report

**Nationally Data Collection**

Collecting data on school students with disability helps teachers, principals and education authorities support the participation of students with disability in schooling on the same basis as students without disability. All Australian Governments have agreed to work together on the annual collection of data on school students with disability.

All Australian schools participate in this annual data collection. The data provided to the Australian Government is aggregated data only. Please be reassured that the Department will not provide on to another organisation any data that can identify an individual student. The only data being collected at the school level to be reported nationally is the... - number of students in the school who are provided with an adjustment to address a disability; - level of adjustments we provide for those students; and - broad category of disability

Consultation with parents is important not only for the data collection but also to ensure you are aware of the adjustments being provided to support your child. We will therefore continue to consult with you. While only data that cannot identify your child will be submitted outside of the Department, if you do not wish for your child’s details to be included, please let the school know.

Information and fact sheets are available to help you make a decision from these links...

Alternatively, if you have any queries about the collection or use of this data, we encourage you to contact the school directly.
