Thought of the Week
“A signature always reveals a man’s character - and sometimes even his name.”
- Evan Esar

Virtue of the Week
This week, we examine the virtue of creativity. Creativity is the power of imagination. Creativity is a way to develop your special talents. It is seeing something in a new way or finding a new way to solve a problem. Creativity is using our imagination to bring something new into the world. Please consider discussing the power of creativity with your child/ren this week.

Principal’s Message
Today officially marks the end of Semester One, our first one hundred days of learning for 2014. On Tuesday all learners would have received their end of Semester Report Card, detailing their achievement, progress and performance during this time, across each of the key learning areas as well as behaviour and effort. Please consider taking the time to read through the reports with your child/ren, particularly the learning goals your child/ren’s class teachers may have set for the next one hundred days. Also remember that a ‘C’ is for celebration and means that your child is achieving at the required standard for their year level.

Today we say goodbye to Mrs Amelia Freeman who has been our Head of Curriculum throughout Semester One. Amelia has done an exemplary job, overseeing a number of projects, including the Assessment and Reporting process that have enhanced her leadership. Next Term, Amelia will head to Glenmore State School. On behalf of everyone at Parkhurst State School, I would like to sincerely thank Amelia for all of her efforts and wish her the very best for the future. Next Term, Ms Moira Mackenzie will be returning to Parkhurst to her substantive position as Head of Curriculum and Mrs Jan Lawton will head to Berserker Street State School as the fulltime Support Teacher Literacy and Numeracy until the end of the year, returning in 2015.

If you and your family are heading away during the Winter Vacation, I wish you safe and happy travels and a restful break. School resumes on Monday July 14th 2014 for our next one hundred days of learning.

Until next time,

Lyle Walker

Tour De Chaplain

Well done everyone on an outstanding effort with last Thursday’s coin line fundraiser to support our very own Chappy Noel in this year’s Tour de Chaplain Bike Ride. An amazing $413.20 was raised. Year 2/3K was the class with the longest line and Year 6/7L had the most weight in coins as well the highest amount of money at $80.30. Congratulations once again to everyone who contributed and supported this very worthwhile cause.

End of Semester One Report Cards

End of Semester One Report Cards were distributed to all learners on Tuesday. These reports are an account of your child/ren’s learning over the first one hundred days of 2014 and detail their achievement and performance across each of the key learning areas, behaviour and homework. Please do not hesitate to contact your child/ren’s class teachers if you would like to arrange a time to meet to discuss any aspect of their report.

Raffles and Hundred Board

Every second Friday night, the Parkhurst State School P&C Association conduct Raffles at the Parkhurst Tavern with some amazing prizes. We are aware of many parents, carers, staff members and friends of the school who would like to contribute to this very profitable fundraiser but are unable due to many assorted reasons. If you would like to secure tickets, either on a fortnightly basis or until a sum of money expires, a Raffle Slip was included in last week’s Newsletter. Once completed, simply return it to school with your designated amount in an envelope and it will secure Raffle Tickets at the next draw at the Tavern.

Hundreds Board squares will also be sold each night the Raffles are convened at the Parkhurst Tavern. If you would like to secure squares on the Board, please indicate on the same Raffle Slip. Unfortunately, specific numbers may not be available. Many thanks once again to all of our incredible volunteers who consistently persevere with this relatively easy but potentially very profitable fundraiser. Well done to Angela George, Louise and Suzie Neaton for their efforts over the past weeks. Every dollar raised supports YOUR child/ren’s learning and education.

Meet and Greet in Term Three

A Meet and Greet evening will be held next Term for all families of Prep and Year One Learners as well as any new students and families to the school in 2014. This special evening will provide an opportunity for parents and carers to connect with each other and staff. The P&C will cater for the event and classrooms will be open to provide an opportunity for parents and carers to touch base with their child/ren’s learning. Watch out for a date next Term in the Newsletter.

P&C Cook Book Project

Last year, the Parkhurst State School Parents and Citizens’ Association commenced their Cook Book Project, with an amazing response of favourite, tried, tested and tasted recipes. The P&C hope to have the Recipe Book professionally published by the end of the year and are providing another opportunity for everyone to submit recipes for inclusion.

A template to record your recipe on has been included with this Newsletter. Additional copies are available from the Office on request.

School Holiday Activities

The Rockhampton Regional Council are conducting a wide range of activities over the upcoming June/July Winter Vacation. A flyer outlining the activities on offer has been included with this Newsletter.

Enrolment Management Plan

Earlier this week, the school was notified that an Enrolment Management Plan (ELP) would be in place in 2015 to manage the intake of enrolments to the school. Parkhurst State School and four other North Rockhampton Schools have been identified as being required to implement these plans to ensure enrolments meet selected criteria, specifically residing within the school’s catchment area. The Plan has also established a maximum school capacity and suggests the maximum number of Prep Students that can be enrolled. This plan will not affect any existing families with students who currently reside outside the Parkhurst State School catchment area. A community consultation session will be conducted next Term for feedback and to answer any specific questions that may arise.

Healthiest Sandwiches in Queensland

Does our Tuckshop have the tastiest and healthiest sandwiches in Queensland? If you think so, encourage our Tuckshop Convenor and Volunteers to enter the Smart Choices 2014 Queensland Tuckshop Sandwich Designer of the Year Competition. Watch Our School These Holidays
With the holidays now here as of this afternoon, we need your assistance to help look out for after hours’ crime and activity in our school. If you see anything suspicious, please remember to call the School Watch number on 13 17 88.

Term Three Priorities
Next Term, our priorities of Numeracy, Vocabulary and Handwriting will receive a major boost. Each week, classes will focus on mental computation strategies and a problem solving strategy of the week. This information will also be shared with parents and carers via our Newsletter and Website. We have already developed posters to promote school wide consistency and develop student knowledge, understanding and application of the strategies.

Handwriting and Bookwork have been long held improvement priorities. Over the last few weeks, our Teachers and Teacher Aides have participated in professional development focusing on the teaching and support of handwriting in classrooms as well as reestablishing our shared expectations. In terms of vocabulary development, as a school, we will continue our ‘Word of the Day’ strategy, expanding this to other ‘word’ related activities to develop and enhance our learners’ knowledge, understanding and use of words. A strategy as simple as responding in sentences will assist in developing vocabulary.

Late Arrivals
Next Term, as part of Education Queensland and our school’s continued commitment to student attendance, we will be more closely monitoring student arrival times. At Parkhurst State School, learning officially starts at 9:00 a.m. every day, yet we still have some students arriving up to an hour after learning has commenced. In some instances, the learning of some children is suffering as information to set up the day in terms of intended learning is missed. For some students, important daily morning routines have not yet been established and much ‘time wasting’ getting ready can occur that interrupts and impacts on the learning of others. Regular lateness can and does impact significantly on teaching and learning time as lessons must stop to settle the late arrivals.

This is unfair on those students who are already engaged in learning and for teachers who are amidst facilitating quality lessons. We understand and appreciate that sometimes emergencies arise that prevent lateness. Our electronic classroom roll process has already assisted us to identify individual students and families who regularly arrive after the 9:00 a.m. bell. This information also enables us to generate a range of reports regarding student attendance and absenteeism patterns.

Next Term, our enhanced absenteeism monitoring strategies will include the recording of arrival times of identified students who are regularly late to use in focused conversations with parents and carers regarding the impact this has had on learning. Punctuality is a key life skill and together in partnership with parents, carers and our community, we hope to assist every learner to achieve their full potential and make every minute of every hour of every session of every day of learning count at Parkhurst State School.
