Thought of the Week
“Take everything you like seriously, except yourselves.”
- Rudyard Kipling

Virtue of the Week
At this time of the year, this week’s virtue focuses on generosity. Generosity is giving and sharing. It is giving freely because you want to, not with the idea of a reward or a gift in return. Generosity is being aware that there is plenty for everyone. It is also seeing a chance to give what you have and then just giving for the joy of giving. It is one of the best ways to express love and friendship towards others. Please consider discussing being generous with your child/ren this week.

Principal’s Message
Week Eight is Great! Welcome everyone to Good News Week, the special week each and every Term we devote to sharing and spreading good news. It is also the week that we love receiving your feedback and good news too. This Newsletter is our second last Newsletter for 2014. Our final Newsletter will be distributed to all families on Monday December 08th 2014 and will contain much information to help you and your children prepare for 2015.

A big thankyou goes out to all families who have provided a current email address so End of Semester Two Report Cards can be emailed directly to you. I would like to acknowledge the amazing efforts of all Teachers over the last few weeks in preparing Report Cards that share the outcomes of almost twenty weeks of learning. It has become highly apparent to us once again that learners who regularly attend school and are punctual have outperformed those learners who are regularly late attenders or are absent. Attendance is a parent responsibility. For those experiencing difficulties with attendance, we will work with you to improve attendance.

Next week is a H-U-G-E week at Parkhurst State School. Learning remains our priority in every classroom. On Tuesday, we welcome our first group of new Prep Learners to the school as part of their Transition Activity Morning. On Thursday, we will all be travelling to CQU to attend our annual Senior Graduation and Awards Ceremony. Please ensure your child/ren are at school by 9:00 a.m. or the bus will go without them. On Friday, we hope you can join us once again for our Assembly of Excellence, starting at 9:00 a.m. in the Assembly Area.

Until next week,
Stars of the Week
Congratulations to the following learners who have been recognised this week by their teachers as Stars of the Week across a range of areas. Well done and you all deserve to be so proud of your achievements.

Our Weekly Attendance Statistics
Attendance continues to be our priority. Our aim by the end of the year is to reach 96% and have classes of ‘Every Day Counts’ Champions. Our current school wide daily attendance rate this week is 92.3%. The attendance rate of each class is listed below, with some good improvements noted. Well done everyone!

Student Absence Line
Parents and Carers are encouraged to use the school’s Student Absence line to report their child/ren’s absences on 07 4924 6566.

School Banking
Our Student Banking Program is offered every Wednesday for all students from Prep to Year Seven. For every deposit made, the school receives a small commission that soon adds up. Thanks again to Angela George, for a job well done each and every week!
Semester Two Report Cards

This Semester, all Report Cards will be emailed directly to the email accounts of parents and carers. Printed copies of Report Cards will also be available upon request. This process will ensure all parents and carers receive reports on the same day, minimise the risk of comparisons being made by students prior to reports arriving home and assist to conserve the resources used in the publishing of Report Cards.

For those students whose parents or carers do not have email accounts, printed reports will automatically be sent home. If you have recently changed your email address, please notify the Office as soon as possible. Semester Two Report Cards are scheduled to be released via email on Tuesday December 09th 2014. Emails will be sent from OneSchool.application@dete.qld.gov.au

2015 Class Groups

Our predicted whole school enrolment for the start of 2015 currently stands at 320 learners with many variances across each of our seven year levels. As a result, it has been a challenging task to develop a DRAFT class structure that provides capacity for future growth and meets the class size targets of twenty five students in Prep to Year Three and twenty eight students in Years Four to Six. At the current time, there are still some teaching vacancies to fill and once these are completed, we will be in a position to allocate teachers to classes.

At Parkhurst State School, we are very fortunate to be in a strong position of growth with the transition of our Year Sixes and Year Sevens to secondary school. The DRAFT class structure is outlined below and may be subject to change pending additional enrolments. This structure also provides us with increased flexibility to place children across multiple setting to best meet their individual needs. We hope to be in a position to communicate class groups and Teachers in the last week of Term through a special Assembly during the day.

School Concert
Preparations are currently underway for our annual end of year Concert, scheduled for Wednesday December 10th 2014 at 1:30 p.m. Classes have been busily preparing their items, which will see a wide variety of songs performed. As in past years, the focus of this event is on maximising student participation and providing an opportunity for all classes to perform as a group before an audience. This year, due to the increasing need for space, the lawn area, directly behind the Tuckshop will be used to create an ‘arena’ style performance space.

Parents, carers and other guests will be seated in prime locations under the shaded walkways with our ‘stars of the show’ positioned under our many marquees with full view of the performances in the middle. Once again a huge thankyou goes to Mr Dave St Henry for all of his continued work and Class Teachers for their efforts leading up to this special event. Our school Choir will also perform as will our Staff with a very special item currently being rehearsed.

Graduation Ceremony
Our annual Senior Graduation for current Year Six and Seven students will occur on Thursday December 04th 2014 at Central Queensland University in the air conditioned Theatre, commencing at 9:30 a.m. This event is one of the few opportunities we get to assemble as an entire school each year to recognise learners on their achievements and significant milestones. Key awards to be presented include the outstanding academic award, outstanding literacy and numeracy achievement and outstanding citizenship. Buses depart the school between 9:00 a.m. and 9:15 a.m. All parents and carers are welcome to attend and there may even be space on a bus.

Every Day of Learning Counts
Every school day is a precious day of teaching. The 2015 School Calendar indicates that there is a maximum of 195 teaching days for the year. With still two weeks until the end of the 2014 school year, I know you will assist us to ensure that every remaining school day will be a precious day of teaching and your child/ren continues to attend.

Assembly of Excellence
Our Term Four Assembly of Excellence is scheduled for Friday December 05th 2014 in the Assembly Area, commencing at 9:00 a.m. This special Assembly is an opportunity for all of our learners to have their ‘five minutes of fame’ for consistently demonstrating great effort, enthusiasm for learning and excellence. During the Assembly, our Choir will perform and Certificates and Awards will be presented for ...
- 100% Attendance
- Academic Awards for achieving an ‘A’ on Semester Two Report Cards

Get Active and Eating Well

The Healthy Lifestyle Program for families called PEACH™ (Parenting, Eating and Activity for Child Health) is taking registrations now for 2015 with a new group commencing in Rockhampton in February.

The free program is available to families with a child aged between five to eleven years who is above a healthy weight for their age. The program is fun for kids and helps parents and carers make healthy eating and activity a part of everyday life. It runs for six months and consists of ten group sessions that run for ninety minutes each. The first nine sessions are held weekly within the school Term. Ongoing individualised family support is offered through the second half of the program ending with one final group session.

Some of the topics covered include nutrition skills, relationships with food and eating, changing family lifestyle behaviours and making healthy eating affordable. While the parent sessions are taking place, children enjoy active play with a trained child physical activity facilitator. The Program is funded by the Queensland Government and being delivered by the Queensland University of Technology in partnership with Central Queensland University.

If you would like more information about the PEACH™ Program or to register please contact free call 1800 263 519 or visit the following link ... www.peachqld.com.au
