Thought for the Week

“Always be nice to those younger than you, because they are the ones who will be writing about you.” - Cyril Connolly

Virtue of the Week

This week we explore the virtue of confidence. Confidence is having trust in something or someone. When we have self confidence, we trust that we have what it takes to handle whatever may happen. We feel sure of ourselves and enjoy trying new things. Confidence is also about showing resilience and seeing each day as a new day. Please consider discussing confidence with your child/ren over the next week.

Principal’s Message

This is Week Eight and it is Good News Week, the one week we set aside every term to acknowledge effort and achievement and celebrate directly with families. Have you received a Good News Postcard or Good News Sheet in the mail yet or had a telephone call or email from your child/ren's class teacher yet? Good News Week is not only about US celebrating great things. It is also an opportunity for YOU to share good things with us too. Please consider, if you haven't already, sharing something good with your child/ren's teacher before the end of term.

In just under two weeks time you will receive your second written report card for the year, outlining your child/ren's individual achievement and effort for Second Semester. There has been some significant improvement across the entire school since Semester One, particularly in the areas of English and Mathematics. With a strong school improvement agenda, this achievement is the combined result of the ongoing efforts of our teachers, individualised curriculum offerings for each and every learner, your support as parents and carers and of course, the effort of our learners.

On a final note, this morning on Assembly we recognised the efforts and contributions of all our wonderful volunteers, who consistently give up their time to assist in classrooms, support fundraisers, facilitate Religious Education classes and much, much more. Please accept this as my personal thanks and gratitude on a job well done.

Until next time,

Lyle Walker

2014 Class Structures

Our current effective enrolment for 2014 is 332 students. This total has varied from day to day impacting on the models we have developed. This anticipated student enrolment will provide a full time teacher equivalent (FTE) of 13.43 teachers. At this stage, we are anticipating two additional classes in 2014.

The final two weeks of school and the time leading up to the start of school are the times when we can typically enrol up to fifteen students. Whatever structure is in place, we must ensure there is capacity for future enrolments and growth across all year levels whilst meeting the mandated class size targets of 25 learners in Prep to Year Three classes and 28 learners in classes from Year Four to Year Seven. To achieve this, we will once again have a mix of multiage and single graded classes. Much thought and time has been put into developing the class structure outlined below to meet the needs of students and provide flexibility to mix students up.

Currently, our 289 students comprise 156 males and 133 females. This gender imbalance can create challenges when developing classes. There are also, in many instances specific year levels that have very high proportions of males compared to females. In this case, our multiage classes have provided increased flexibility to ensure a closer gender balance is created.

Outlined below is our anticipated class group structure for 2014. By the end of next week, we hope to have all of our teachers appointed for 2014 and teachers will be allocated to classes accordingly.

Disco Thanks

Last Friday night, we had our final school Disco for the year with a record number of students attending. Events such as this simply don't happen without the hard work of staff, parents and our student leaders. I would like to take this opportunity to thank the P&C, particularly Ashley and Michelle Welfare, Melinda Hohn, Tracey Pike, Jo Watterson, Beth Fothergill, Jenni Harris, Leah Schluter and Sandra Wingard. Our wonderful Teacher and Teacher Aide Teams are also commended for their efforts, especially our 'Music Guru', Mr David St Henry, the evening's DJ. Well done all. When all is said and done, the excitement and joy in the eyes of our learners make it all worthwhile and so rewarding.

Parkhurst Idol Update

Congratulations to all our competitors this year. What a wonderful and impressive bunch they were. As always, the judges overseeing the competition had a super difficult task but we have some finalists. In the JUNIOR Section we have, Seryah and Tom, Holly, Jorja, and Maddi. The SENIOR Section has Lacinda, Montana, Jess, Jared, and Rebecca. A HUGE thank you to all the entrants who made the competition such a tight one and all who attended to cheer them on. It was also super impressive seeing entrants have a go and stepping out of their comfort zones. You deserve to be so very proud of your efforts. The line up is impressive with both winners from last year battling to take out the honours again!

Please note the date has changed for the Parkhurst Idol Grand Final to Wednesday, December 04th 2013 at 11:50 a.m. in the Assembly Area (AA). Everyone is welcome to watch all of the shows. It will be entertaining!

Also Staff Idol will be held the following Tuesday, December 10th 2013 at First Break. Parents are welcome to come and have a go too. It'll be fun!

Year Seven Graduation

The Graduation of our Year Seven students is scheduled for Thursday December 05th, 2013. As in previous years, this is one of a very few opportunities we have as an entire school community to join together to celebrate this significant milestone and achievements. All students and staff will be bussed to Central Queensland University from 9:00 a.m. As in previous years, all parents, carers and friends of our school are invited to attend.

Annual Christmas Concert

Each year, the focus of our Christmas Concert is one of student participation as well as an opportunity for the whole school to celebrate the conclusion of almost two hundred days of learning. This year’s Concert, like all previous years, will be held on Wednesday December 11th, 2013, commencing at 1:30 p.m. in the Assembly Area (AA) with a ‘Novelty Song’ theme. Prior to the Concert, the P&C will be conducting a Sausage Sizzle at 11:00 a.m. with cold drinks on sale for parents and carers during the Concert. Sausages on Bread with sauce and onions will be $2.00.

No Tuckshop in Last Week

Please note that there will be NO Tuckshop during the last week of school due to the scheduled events, activities and celebrations. A Sausage Sizzle will be held on the Wednesday of this week with Class Celebrations and Parties occurring on the last Thursday. The final day of school is our designated ‘Clean Up’ Day and relocation of classrooms.

Positions Vacant

Due to school’s anticipated growth in student enrolments in 2014, the school’s Tuckshop may be expanding to four days in 2014. As a result, the Parkhurst State School Parents and Citizens’ Association are seeking applications for the position of Tuckshop Convenor. This position will commence when school resumes in January 2014.

The Parkhurst P&C Association wish to remind all families that the supply of Book Packs is a P&C initiative with the sourcing of materials and consequent pricing undertaken by the P&C. It is very disappointing to learn that some parents are misinformed regarding this initiative and communicating this to others.

If you have any questions or concerns regarding this non compulsory initiative, including the processes of sourcing materials or pricing, please contact Michelle Welfare or any other member of the P&C.

**Bus Travel**

Earlier this week, it was necessary to remind all bus students and their families of the expectations regarding student behaviour whilst travelling on buses. Despite reminders each week on Assembly, classroom visits and discussions with all bus students, we continue to have some students who disregard these messages. In my six years as Principal of Parkhurst, the only incidents regarding inappropriate bus behaviour involving Parkhurst students have occurred during the past two weeks. On Friday, an incident resulted in a SunBus Service ceasing its service and contacting the Police to deal with an issue. This is very disappointing as students in Parkhurst State School uniforms were clearly identified as the perpetrators and have jeopardised the school’s excellent reputation in the local community.

When it comes to bus travel to and from school, the management of inappropriate behaviour is out of my control as Principal and governed by the Department of Transport and Main Roads’ Code of Conduct for School Students Travelling on Buses. A full copy of this document was distributed to all students catching the Sun Bus Service last week. Copies are available from Administration or can be downloaded from this link [http://www.tmr.qld.gov.au/Travel-and-transport/School-transport/Code-of-conduct.aspx](http://www.tmr.qld.gov.au/Travel-and-transport/School-transport/Code-of-conduct.aspx).

As a school, we will remain proactive in ensuring all students and their families are aware of the expectations around bus travel through the ongoing communication of these messages …

- The actions of students misbehaving on buses can affect the ability of drivers to concentrate and compromises the safety of the journey.
- All students who travel on the bus are expected to know and abide by the rules outlined in the Code of Conduct for School Students Travelling on Buses.
- The code outlines what behaviour is required from students while waiting for the bus and while travelling on the bus.
- Examples of appropriate behaviour include paying the correct fare, respecting other people and their property, waiting for the bus in an orderly manner, remaining seated in a calm manner while on the bus and refraining from creating unnecessary noise.
- Students should not forget to be nice to the driver and say thank you when they leave the bus.
The code also outlines unacceptable student behaviour that will not be tolerated, including fare evasion, wilful damage of property, disrespect, verbal and physical violence towards the driver and other passengers.

There are clear consequences in the code for students that display such behaviour.

Students will be held responsible for their behaviour and if deemed to be in breach of the code, provisions will be enforced.

Depending on the extent of the breach, consequences for misbehaviour range from a warning to a student being refused travel on the bus.

Principals are working with the Department of Transport and Main Roads and the Queensland Police Service to identify students who continue to misbehave and refuse to pay the correct bus fare.

The parents of any student found to be in breach of the code will be notified and the student will be held accountable for their actions.

Following the code will mean a safe, comfortable journey for students and the other passengers.

A copy of the Parent Information Sheet outlining the expectations for students travelling on buses and consequences for inappropriate behaviour is available from the Office. Working together in partnership by ensuring all students are aware of the expectations around bus travel.
