Parkhurst learners are individuals who learn at their own rate using their preferred learning styles to reach their full potential.

High expectations are essential for high performance.

Our environments are warm, caring, nurturing and stimulating to develop independent, 21st Century learners.

Children learn best by doing and through modelling.

Negotiation, choice, risk taking and challenges are an important part of the learning process.

Learning must be engaging, futures orientated and connected to the real world.

“\textit{It Takes a Village to Raise a Child.}”

Effective Teaching and Learning ...
- is founded on understanding the learner
- requires active construction of meaning
- enhances and is enhanced by a supportive and challenging environment
- is enhanced through worthwhile partnerships
- shapes and responds to social and cultural contexts
