**Our School Strategies are on Track to Meet or Exceed our Targets**

During 2014, we have focused on maximising the benefits of this funding for our students. After reviewing our *Great Results Guarantee* Agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include …

- **Five** weekly reading, writing and numeracy data captures to inform class Data Action and Differentiation Plans using a range of scheduled Diagnostic Assessment Tools
- Intensive intervention workshops and programs for all identified learners at risk of not achieving a ‘C’ standard in English and Mathematics and to extend identified students with the potential to perform in the Upper Two Bands (U2Bs) of NAPLAN
- Increased Teacher Aide Time across classrooms
- Developing Individual Learning Guarantees (ILGs) for all learners deemed to be at risk of not achieving school literacy and numeracy targets
- Supplementing classroom literacy, numeracy and ICT resources
- Developing staff capacity and capability to deliver quality literacy and numeracy instruction and increasing representation in the Upper Two Bands (U2Bs) of NAPLAN
