Our Beliefs

- Parkhurst learners are individuals who learn at their own rate using their preferred learning styles to reach their full potential.
- High expectations are essential for high performance.
- Our environments are warm, caring, nurturing and stimulating to develop independent, 21st Century learners.
- Children learn best by doing and through modelling.
- Negotiation, choice, risk taking and challenges are an important part of the learning process.
- Learning must be engaging, futures orientated and connected to the real world.
