Staffing Update
This Term, we welcome **Miss Michelle Jorgensen** to the Parkhurst State School Teacher Team. Michelle has been appointed permanently to the school and will be replacing **Mrs Briony Chavez** who has commenced Maternity Leave. We also welcome to the Special Education Program **Mrs Dianne Holloway** for three days a week and **Mrs Stacy Smith** who will be replacing **Mrs Karen Schmidt** until the end of May. **Mrs Wendy Evans** has been appointed as the permanent Administration Officer (AAEP) in the Office.

Facilities and Grounds
Over the Autumn Vacation period, much work was undertaken around the school, including the replacement of the Senior Toilet Block roof and the removal of many trees around the school in preparation for the delivery of the new SEP/Prep Teaching Block. Work has already commenced on this new facility, with a completion date scheduled for Tuesday May 21st 2013.

Additional seating for the Assembly Area is in urgent demand, particularly for Friday Assemblies and other significant celebrations and events. I am seeking the support of the P&C to purchase seating as soon as possible, using the original ‘Orangutan’ funds and a contribution from the P&C. A range of options is currently available, with the best being light, colour coded aluminium seating in two metre lengths. This style can easily be stored under the stage as required.

Term Two Disco
Staff were consulted at yesterday’s Staff Meeting regarding possible dates for a Disco. Staff expressed the ‘busyness’ of this Term, particularly in the lead up to NAPLAN and would prefer a date after May 17th 2013.

Explicit Instruction
This week, **Mrs Sharon Tomkins, Mrs Veronica Kropp** and myself travelled to Mack to attend the Explicit Instruction Network Meeting. Explicit instruction has been mandated by the Central Queensland Region as the central pedagogy as a key strategy to achieve improvement across the entire region. Explicit Instruction is ‘alive’ and thriving across all learning spaces at Parkhurst State School. A variety of information has been included in recent Newsletters for parents, carers and other members of our school community. This year, the purchase, development and acquisition of a wide range of resources and professional learning to embed Explicit Instruction by the end of 2013 are our major priorities.
NAPLAN
All students in Years Three, Five and Seven will undertake NAPLAN (National Assessment Program Literacy and Numeracy) this Term. On Tuesday May 14th 2013, students will undertake the Language Conventions and Writing components, followed by Reading on Wednesday May 15th 2013 and Numeracy on Thursday May 16th 2013. Friday May 17th 2013 has been set aside to catch up any students who were absent. Once again, thankyou goes to the P&C for providing breakfast once again over the NAPLAN Testing dates.

Flexible Student Free Days
Tuesday April 23rd 2013 is the first of our four Flexible Student Free Days. This year, staff opted to participated in mandated professional development and training after school hours rather than during their school vacation periods. The first three hour session will have an Explicit Instruction focus on Displays. Another date in May has been allocated to our second Flexible Student Free Day and will have a Writing and Spelling Focus. It is compulsory for all staff to attend these sessions.

ANZAC Day
Next week, the school will unite in two special ceremonies to commemorate ANZAC Day. The first will be our annual ANZAC Commemoration Ceremony on Wednesday April 24th 2013 on the front lawns commencing at 9:00 a.m. As in previous years, all parents, carers and members of our school community are most welcome to attend. The second event is the annual Community March on Anzac Day. Information will be sent out this week to invite students to participate.

Demand Writing Thursdays
In the lead up to NAPLAN, every Thursday morning has been set aside to engage all learners in ‘demand’ writing sessions to prepare students for the 2013 NAPLAN Writing Task. This initiative allows teachers to closely monitor student writing competency and develop a deeper understanding of every learner’s strengths and challenges. A series of tasks, similar to the NAPLAN Tasks being implemented have been provided to staff, along with the Marking Criteria.

Term Two Sport
The organisation of Term Two Interschool Sport is currently underway. At the current time, we envisage offering students in Years Four to Seven with an opportunity to participate in Soccer and Netball. Further information will be sent our later this week.

This year, staff opted to participated in mandated professional development and training after school hours rather than during their school vacation periods. The first three hour session will have an Explicit Instruction focus on Displays. Another date in May has been allocated to our second Flexible Student Free Day and will have a Writing and Spelling Focus. It is compulsory for all staff to attend these sessions.

ANZAC Day
Next week, the school will unite in two special ceremonies to commemorate ANZAC Day. The first will be our annual ANZAC Commemoration Ceremony on Wednesday April 24th 2013 on the front lawns commencing at 9:00 a.m. As in previous years, all parents, carers and members of our school community are most welcome to attend. The second event is the annual Community March on Anzac Day. Information will be sent out this week to invite students to participate.

Demand Writing Thursdays
In the lead up to NAPLAN, every Thursday morning has been set aside to engage all learners in ‘demand’ writing sessions to prepare students for the 2013 NAPLAN Writing Task. This initiative allows teachers to closely monitor student writing competency and develop a deeper understanding of every learner’s strengths and challenges. A series of tasks, similar to the NAPLAN Tasks being implemented have been provided to staff, along with the Marking Criteria.

Term Two Sport
The organisation of Term Two Interschool Sport is currently underway. At the current time, we envisage offering students in Years Four to Seven with an opportunity to participate in Soccer and Netball. Further information will be sent our later this week.

Staffing Update
This Term, we welcome Miss Michelle Jorgensen to the Parkhurst State School Teacher Team. Michelle has been appointed permanently to the school and will be replacing Mrs Briony Chavez who has commenced Maternity Leave. We also welcome to the Special Education Program Mrs Dianne Holloway for three days a week and Mrs Stacy Smith who will be replacing Mrs Karen Schmidt until the end of May. Mrs Wendy Evans has been appointed as the permanent Administration Officer (AAEP) in the Office.

Facilities and Grounds
Over the Autumn Vacation period, much work was undertaken around the school, including the replacement of the Senior Toilet Block roof and the removal of many trees around the school in preparation for the delivery of the new SEP/Prep Teaching Block. Work has already commenced on this new facility, with a completion date scheduled for Tuesday May 21st, 2013.

Additional seating for the Assembly Area is in urgent demand, particularly for Friday Assemblies and other significant celebrations and events. I am seeking the support of the P&C to purchase seating as soon as possible, using the original ‘Orangutan’ funds and a contribution from the P&C. A range of options is currently available, with the best being light, colour coded aluminium seating in two metre lengths. This style can easily be stored under the stage as required.

Term Two Disco
Staff were consulted at yesterday’s Staff Meeting regarding possible dates for a Disco. Staff expressed the ‘busyness’ of this Term, particularly in the lead up to NAPLAN and would prefer a date after May 17th, 2013.

Explicit Instruction
This week, Mrs Sharon Tomkins, Mrs Veronica Kropp and myself travelled to Mack to attend the Explicit Instruction Network Meeting. Explicit instruction has been mandated by the Central Queensland Region as the central pedagogy as a key strategy to achieve improvement across the entire region. Explicit Instruction is ‘alive’ and thriving across all learning spaces at Parkhurst State School. A variety of information has been included in recent Newsletters for parents, carers and other members of our school community. This year, the purchase, development and acquisition of a wide range of resources and professional learning to embed Explicit Instruction by the end of 2013 are our major priorities.
NAPLAN
All students in Years Three, Five and Seven will undertake NAPLAN (National Assessment Program Literacy and Numeracy) this Term. On Tuesday May 14th 2013, students will undertake the Language Conventions and Writing components, followed by Reading on Wednesday May 15th 2013 and Numeracy on Thursday May 16th 2013. Friday May 17th 2013 has been set aside to catch up any students who were absent. Once again, thankyou goes to the P&C for providing breakfast once again over the NAPLAN Testing dates.

Staffing Update
This Term, we welcome Miss Michelle Jorgensen to the Parkhurst State School Teacher Team. Michelle has been appointed permanently to the school and will be replacing Mrs Briony Chavez who has commenced Maternity Leave. We also welcome to the Special Education Program Mrs Dianne Holloway for three days a week and Mrs Stacy Smith who will be replacing Mrs Karen Schmidt until the end of May. Mrs Wendy Evans has been appointed as the permanent Administration Officer (AAEP) in the Office.

Facilities and Grounds
Over the Autumn Vacation period, much work was undertaken around the school, including the replacement of the Senior Toilet Block roof and the removal of many trees around the school in preparation for the delivery of the new SEP/Prep Teaching Block. Work has already commenced on this new facility, with a completion date scheduled for Tuesday May 21st 2013.

Additional seating for the Assembly Area is in urgent demand, particularly for Friday Assemblies and other significant celebrations and events. I am seeking the support of the P&C to purchase seating as soon as possible, using the original ‘Orangutan’ funds and a contribution from the P&C. A range of options is currently available, with the best being light, colour coded aluminium seating in two metre lengths. This style can easily be stored under the stage as required.

Term Two Disco
Staff were consulted at yesterday’s Staff Meeting regarding possible dates for a Disco. Staff expressed the ‘busyness’ of this Term, particularly in the lead up to NAPLAN and would prefer a date after May 17th 2013.

Explicit Instruction
This week, Mrs Sharon Tomkins, Mrs Veronica Kropp and myself travelled to Mack to attend the Explicit Instruction Network Meeting. Explicit instruction has been mandated by the Central Queensland Region as the central pedagogy as a key strategy to achieve improvement across the entire region. Explicit Instruction is ‘alive’ and thriving across all learning spaces at Parkhurst State School. A variety of information has been included in recent Newsletters for parents, carers and other members of our school community. This year, the purchase, development and acquisition of a wide range of resources and professional learning to embed Explicit Instruction by the end of 2013 are our major priorities.
NAPLAN
All students in Years Three, Five and Seven will undertake NAPLAN (National Assessment Program Literacy and Numeracy) this Term. On Tuesday May 14th 2013, students will undertake the Language Conventions and Writing components, followed by Reading on Wednesday May 15th 2013 and Numeracy on Thursday May 16th 2013. Friday May 17th 2013 has been set aside to catch up any students who were absent. Once again, thankyou goes to the P&C for providing breakfast once again over the NAPLAN Testing dates.

Flexible Student Free Days
Tuesday April 23rd 2013 is the first of our four Flexible Student Free Days. This year, staff opted to participated in mandated professional development and training after school hours rather than during their school vacation periods. The first three hour session will have an Explicit Instruction focus on Displays. Another date in May has been allocated to our second Flexible Student Free Day and will have a Writing and Spelling Focus. It is compulsory for all staff to attend these sessions.

ANZAC Day
Next week, the school will unite in two special ceremonies to commemorate ANZAC Day. The first will be our annual ANZAC Commemoration Ceremony on Wednesday April 24th 2013 on the front lawns commencing at 9:00 a.m. As in previous years, all parents, carers and members of our school community are most welcome to attend. The second event is the annual Community March on Anzac Day. Information will be sent out this week to invite students to participate.

Demand Writing Thursdays
In the lead up to NAPLAN, every Thursday morning has been set aside to engage all learners in ‘demand’ writing sessions to prepare students for the 2013 NAPLAN Writing Task. This initiative allows teachers to closely monitor student writing competency and develop a deeper understanding of every learner’s strengths and challenges. A series of tasks, similar to the NAPLAN Tasks being implemented have been provided to staff, along with the Marking Criteria.

Term Two Sport
The organisation of Term Two Interschool Sport is currently underway. At the current time, we envisage offering students in Years Four to Seven with an opportunity to participate in Soccer and Netball. Further information will be sent our later this week.
