Facilities

The Wireless Upgrade Program (WUP) will commence next week from Wednesday March 25th 2016 and will include the replacement of switches, cabinet upgrades, the installation of wireless access points to every classroom and the relocation of the school’s router and network centre.

NAPLAN Breakfast Thanks
A big thank you goes out to all of our magnificent volunteers who once again provided breakfast for students last week. Everyone appreciated breakfast to start their day and ‘fight the fuzzies’. Without the energy and commitment of our fantastic volunteers, initiatives such as this do not happen.

Semester One Reporting
End of Semester One Report Cards will be emailed to all families in the last week of this Term. Once again, paper copies will be supplied upon request. Parents and Carers will soon be asked to update their contact details to ensure Report Cards are emailed to the correct addresses. Any Parents and Carers are also reminded that face to face interviews can be requested at any time to discuss any aspect of their child/ren’s learning and progress.
